Sub:- Seed money grant to the faculty for conducting research for the academic year 2022-23 – Approval requested – Reg

ANITS has a Research & Development policy approved in its Governing Body for awarding seed money to the faculty every year for initiating and taking forward their research work, towards creating research culture in the campus.

Following this R&D policy, as many as about six research proposals submitted from various departments of engineering were selected and granted seed money for the academic year 2021-22 to a tune of Rs 8,82,000/- enabling six faculty to pursue their research.

Continuing extension of the above support to the faculty, proposals were received from different departments for the present academic year 2022-23, also. Of all the research proposals submitted, twelve proposals meeting the prescribed norms were shortlisted and recommended for award of seed money for this year 2022-23 (the list is enclosed).

Hence, it is requested that approval for sanctioning an amount of Rs. 10,81,000/- towards seed money grant may kindly be accorded for the academic year 2022-23.

Special note: Seed money to faculty is an important parameter in NAAC / NBA and carries significant weightage.
