Academic Year 2021-2022

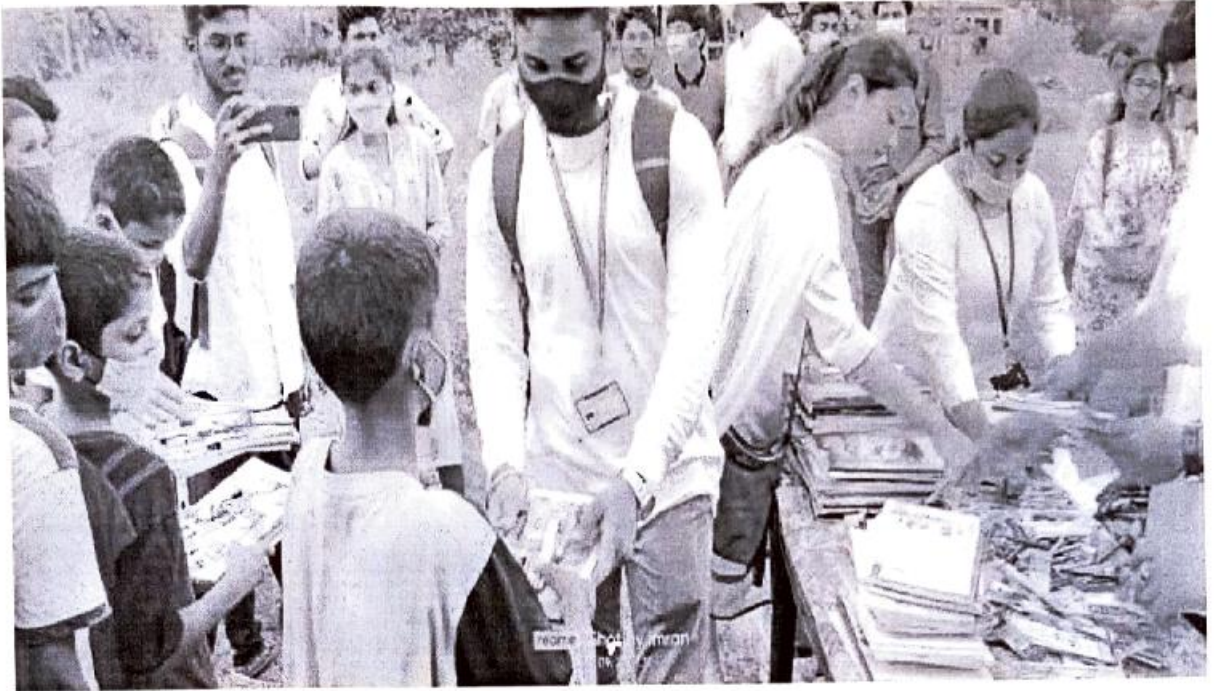

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Report of “Visit to Orphanage at Thallavalasa” held on 24/09/2021.

Friday, 24 September 2021 ; Student of NSS camp. Anil Neerukonda Institute Of Technology And Sciences along with faculty members visited an Orphanage named “ **Mana kutumbham charitable Trust**” in Thallavalasa, near to bheemunipatnam. NSS student volunteers from ANITS accompanied by Faculty Coordinators. Around 180 students from our department along with some faculty members are visited that orphanage. That orphanage is an independent Orphanage home run by Mr. Vempada Srinivasa Reddy. At present 30 to 35 orphan children between 3 to 18 years of age are living in orphanage. We reached the Orphanage at around 1:30 PM. The children of were very pleasantly excited to receive the members. The students greeted us with great enthusiasm. We also met the caretaker. While interacting with the caretaker, we got to know the history of the orphanage how it was established. After that student volunteers distributed the snacks, books, pens to the children. The students interacted with the children. They also engaged them with various games and fun activities. All the children looked so excited and joyful. On this occasion faculty members handed over the envelope of Money as a token of love which was collected by the student volunteers from the students and staff of the college for this noble cause to the caretaker. The team spent an about three hours with the children before saying goodbye to them.

Academic Year 2021-2022

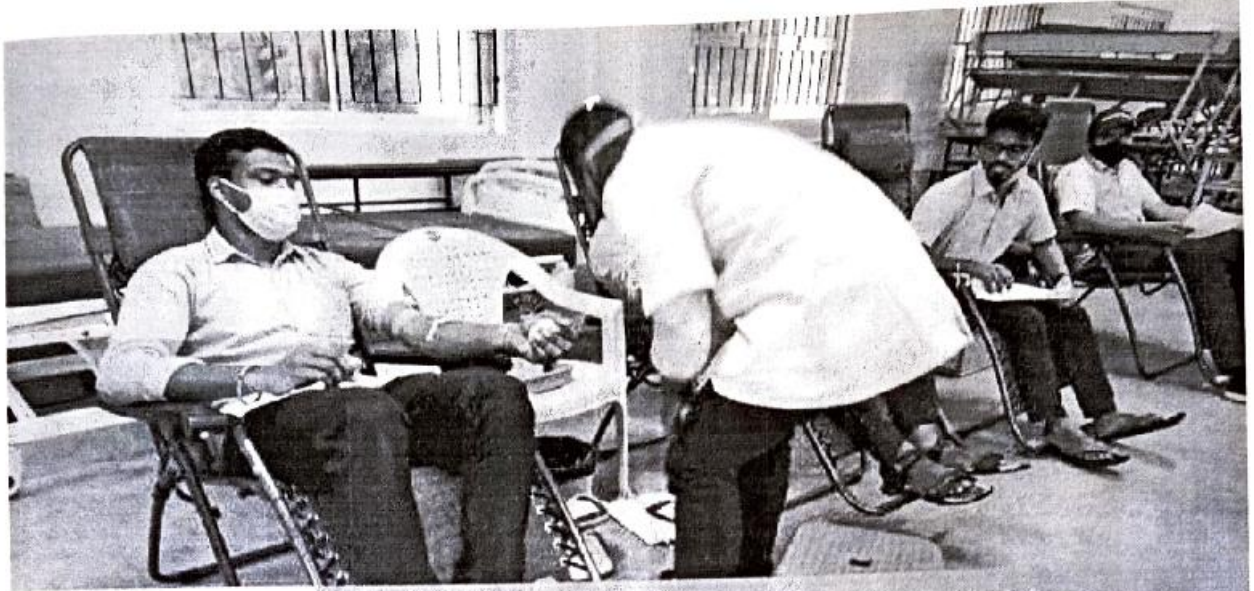

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Report of “Blood donation camp” held on 12/11/2021.

In our college under the banner of NSS team ANITS in collaboration with **Life share blood bank** organized Blood Donation Camp on 12th november 2021. Our college principal Prof. T.V.Hanumantha Rao has welcomed all the donor volunteers, Staff members of our college and addressed the volunteers and explained about whom all are eligible to give blood and advantages of donating the blood. Around 80 students from our department donated blood and remaining students helped them by giving fruits and other food items to the donors. Some officials have spoken about how important the blood donation and how our volunteers are helping to give free blood to the needy people by organizing blood donation camp continuously for many years. Presidential address delivered by Prof. T.V.Hanumantha Rao Principal. Dr. K.Satyanarayana, Assistant professor, Department of Mechanical engineering, has delivered vote of thanks.

COLLEGE CODE - ANIL

Academic Year 2021-2022

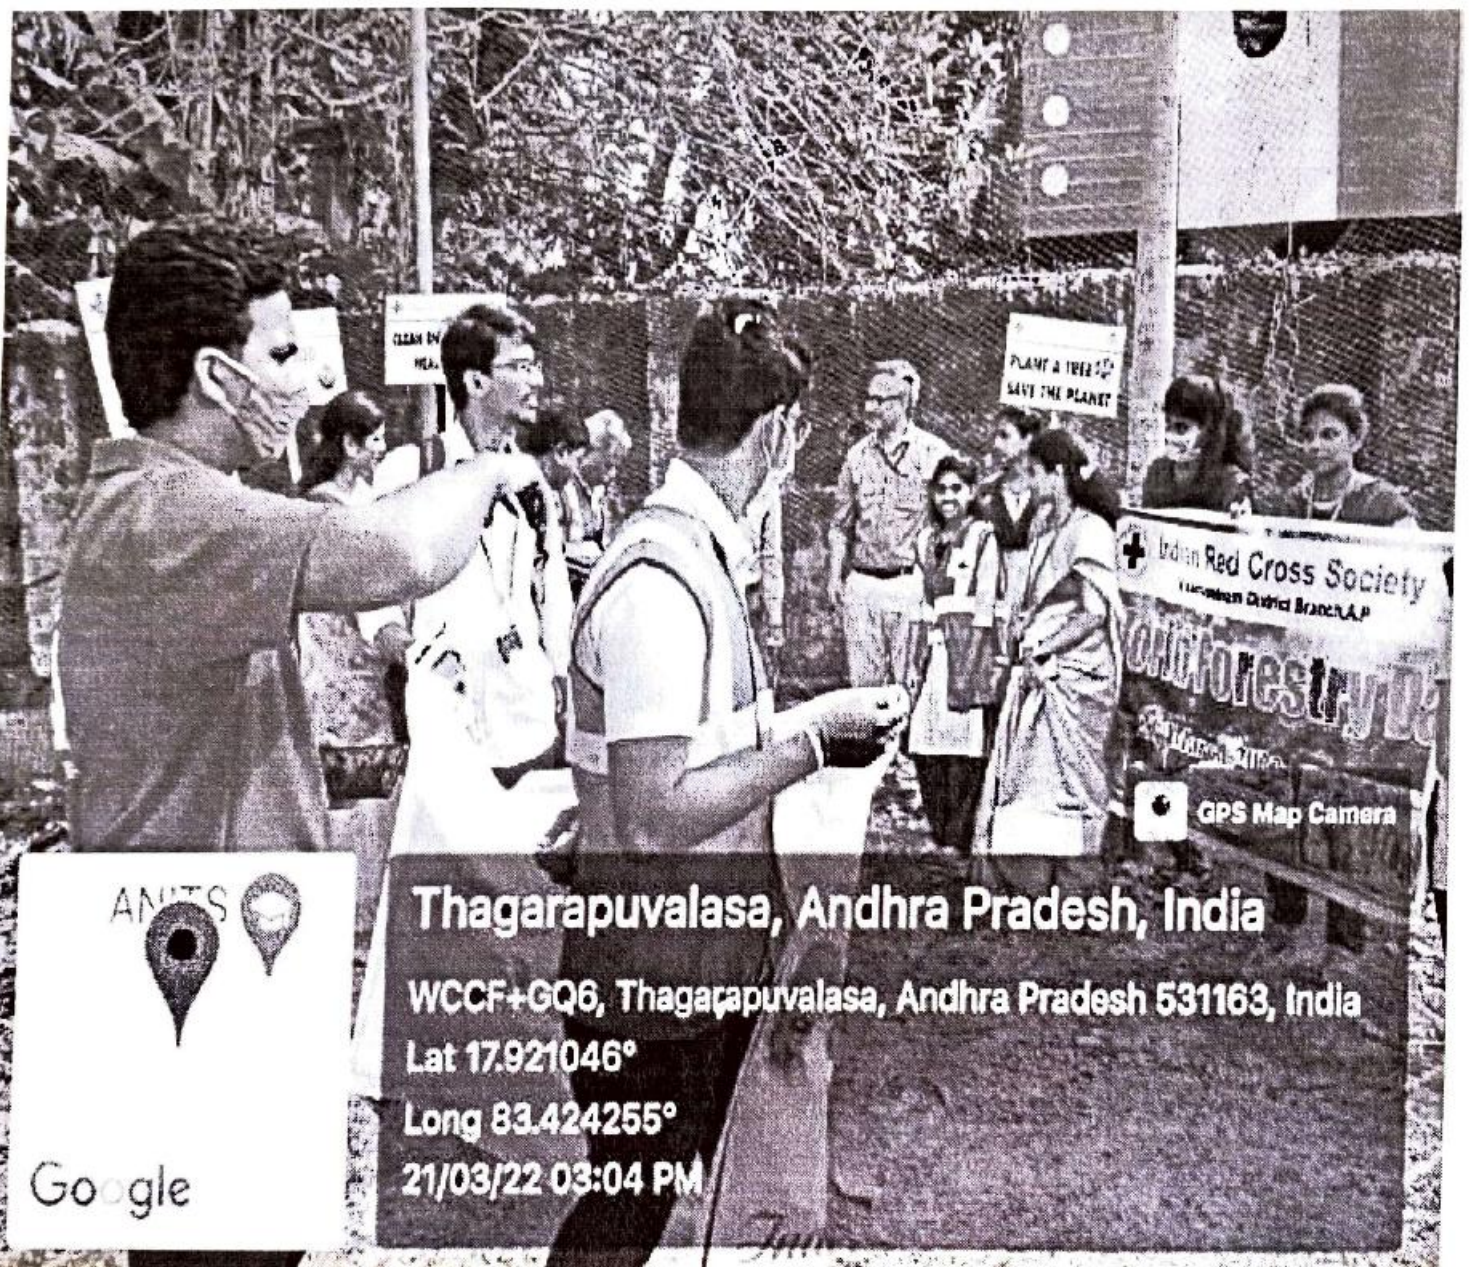

DEPARTMENT OF ELECTRICAL AND ELECTRONIC ENGINEERING

Report of “Eco-friendly Plantation Programme in ANITS” held on 21/03/2022.

A very auspicious tree plantation programme was organized in our college to create an awareness regarding climate change and its adverse effect on us. The program started at 11:00 am the guest of honor for this tree plantation programme was the principal of our college Prof.

T.V.Hanumantha Rao . A range of 150 plants were planted in the college garden and periphery of the college playground to create an awareness about saving trees. Me and my colleagues and students planted many plants in the different places in our college. The program ended at 4 p.m. and we were all given snacks to eat. By the end of the tree plantation programme, we all were exhausted and wanted to sit under the tree already present in the garden. At 4:30 pm our honourable guest gave a speech on benefits of planting trees, how it helps cleaning the environment and uses of medicinal plants. We as a college pledged to plant as many trees as possible near our areas so as to create a very healthy environment and contribute in minimizing the climatic changes. We hope that everybody plants a tree in their lifetime and contribute in conserving the nature. I thank our principal sir, colleagues and students in supporting us for this noble cause.

COLLEGE CODE - ANIL

Academic Year 2021-2022

DEPARTMENT OF ELECTRICAL AND ELECTRONIC ENGINEERING

Report of "Eco-friendly Plantation Programme outside ANITS" held on 21/03/2022.

A very auspicious tree plantation programme was organized in the surrounding village of our college to create an awareness regarding climate change and its adverse effect on us. The program started at 11:00 am the guest of honor for this tree plantation programme was the principal of our college Prof. T.V.Hanumantha Rao. some of our staff and students are participated in the plantation programme held in our college and other batch of faculty and students have gone to surrounding villages for plantation programme held on same day. A range of 100 plants were distributed in the college surrounding villages and ask them to plant in their gardens. Me and my colleagues and students planted many plants in the different places of respective villages. The program ended at 4 p.m. and we were all given snacks to eat. By the end of the tree plantation programme, we all were exhausted and wanted to sit under the tree already present in the garden. At 4:30 pm our honourable guest gave a speech on benefits of planting trees, how it helps cleaning the environment and uses of medicinal plants. We as a college pledged to plant as many trees as possible near our areas so as to create a very healthy environment and contribute in minimizing the climatic changes. We hope that everybody plants a tree in their lifetime and contribute in conserving the nature. I thank our principal sir, colleagues and students in supporting us for this noble cause.

Engage and give moral support to the children

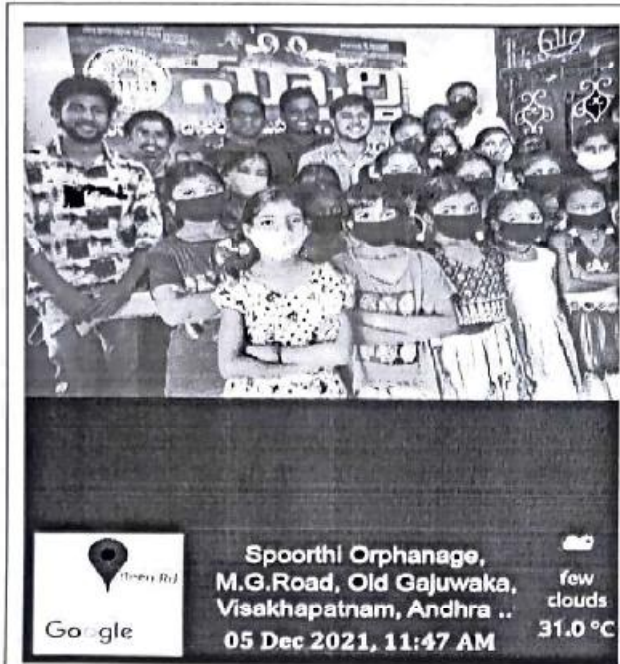

at SPOORTHI orphanage

on 05th December, 2021

The Department of Chemical Engineering, ANITS, Visakhapatnam, in association with RACE Students chapter organized an event to engage and give moral support to the children at SPOORTHI orphanage on 05-12-2021. Prof. T.V. Hanumantha Rao, Principal, ANITS acknowledged the students for providing a helping hand to children in orphanages who were badly affected by COVID-19 pandemic. Students visited the orphanage and engaged the students in some recreational activities such that students will be relieved from the stress due to COVID-19. After these activities, food is distributed to the children and eaten with the children to motivate them that they are not alone. At the end of the day, students distributed stationary items and mats to the children. The orphanage coordinator informed that this activity encouraged and motivated the orphanage children who are depressed by COVID-19. A total of 82 students participated in the event and made it a meaningful event for the children.

Report on

Prevention of spreading mosquito diseases (malaria and dengue)

on 29th August, 2022

The Department of Chemical Engineering, ANITS, Visakhapatnam, in association with RACE Students chapter organized an awareness camp on prevention of spreading mosquito diseases in the nearby villages of Tagarapuvalasa. The program is flagshipged by Prof. K. Sri Rama Krishna, Principal, ANITS and Prof. R. Srikanth, HOD, Chemical Engineering along with faculty and students. Principal appreciated the RACE coordinators for taking this initiative to educate the nearby villagers. Students campaigned and educated the villagers of Nammivanipeta, Sangivalasa and Thalavalasa about the adverse effects of having an open drainage system, open cattle drinking pots and water pots with open lids. The mosquitoes breed in these containers with open lids and act as carriers for diseases like malaria and dengue. Students also spread the awareness that the villagers have to follow a dry day on Friday by emptying all the containers carrying water such that the breeding of mosquitoes will be prevented. A total of 83 students participated in the awareness program educating the villagers.

Report

NSS Event on Plantation programme 'VANAM MANAM'

Date of Activity	: 23-08-2022
Title of Activity	: Vanam Manam
Time	: 11:30 AM to 12:30 PM
Participants	: IV/IV B.Tech Civil Students
No. of Participants	: 63
Collaborated Unit	: NSS Unit, ANITS
Mode of Activity	: Plantation programme involving students
Place of Visit	: Sanghivalasa
Faculty co-ordinators	:
	1) Ch.Srinivas Assistant Professor Dept. of Civil Engineering, ANITS
	2) P.V.R.Sravya Assistant Professor Dept. of Civil Engineering, ANITS

Objective: The objective of the event is to create awareness importance of plantation through a plantation programme. By planting more trees, it will contribute to global reforestation efforts, restoring lost forests, repairing damaged ecosystems and mitigating climate changes.

A plantation programme is organized by the Department of Civil Engineering on 23-08-2022 involving students under the guidance of Faculty coordinators. The title of the programme is 'Vanam Manam'. Students are divided into groups at the village and were guided for plantation of three different types of plants. Some residents of village were requested to water the plants on regular basis.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

09th April 2022

CIRCULAR

Every year as a part of promotional events for National Level Tech Fest "TACHYON 2k22" of Department of ECE in Association with NSS, ANITS we conduct FLASHMOB. It helps us to spread awareness among the public addressing various issues like Girl Education, Cleanliness, Corruption, Women Empowerment, Importance of Farming, etc. through entertainment and in promoting our sponsors. This year we are conducting a FLASHMOB to throw light on "SAVE SOIL" at CMR Central, Maddilapalem at 5 PM on 17th April 2022. All the students are requested to participate in the event to create social awareness among the public through entertainment.

Student Rally

“BAN ON SINGLE USE PLASTIC – ALTERNATIVES”

Organized in Chittivalasa & Tagarapovalasa on 09-07-2022

REPORT

To create awareness on the harm created by excessive use of plastic and to suggest some alternatives to single use plastic, the NSS unit department of ECE, ANITS organized a student rally in CHITTIVALASA and TAGARAPUVALASA, Visakhapatnam (GVMC).

A total of 155 students from 2/4 ECE A, B and C sections participated in this event. There are 3 phases in

this event. They are

1. Creating awareness in students
2. Students Rally (Andhra bank, Adarsh Nagar - Tagarapuvalasa Circle – Kimmari Street - Andhra bank, Adarsh Nagar)
3. Students visiting houses and creating awareness among locals of Chittivalsa & Tagarapuvalsa

1. Creating awareness in students:

In first phase Dr. V. Rajya lakshmi, Prof & HOD, ECE department and Dr. Kalva Sri Rama Krishna garu, Principal, ANITS along with NSS Team of ANITS created awareness among students by explaining

- i. The harm created by excessive use of plastic
- ii. SUP (Single Use Plastic)
- iii. Alternatives to single use plastic items

Picture 1: Dr. V. Rajya Lakshmi, Prof & HOD, creating awareness in students

In this regard, students are encouraged to prepare posters and placards to minimize plastic usage in daily life.

NSS Student team with help of student volunteers prepared various placards with themes such as “PLASTIC NOT

Picture 2: Placard preparation by students

Picture 3: Dr. Kalva Sri Rama Krishna garu, Principal, ANITS addressing 2/4 ECE students

2. Students Rally:

All Student volunteers reached rally point 'ANDHRA BANK', Adarsh Nagar. Student volunteers stood in 3 lines carrying placards & banners and the rally started at 11.30AM from the rally point.

Picture 4: Beginning of Rally from Andhra Bank, Adarsh Nagar, Tagarapuvalsa

The rally went through Tagarapuvalasa Circle and from there students rallied to Tagarapuvalasa bus point then they reached the J.V. Agraharam. During this rally students shouted slogans such as “Say No to Single use Plastic” “Minimize Plastic usage” (For ease of understanding, students translated slogans into local language - Telugu). During this rally students are accompanied by class teachers of 2/4 ECE A & B.

REPORT

Program title: SWACHH ANITS - CLEAN AND GREEN PLASTIC FREE CAMPUS

Cleanliness is very important whether it is our home, workplace, or public places. It is one of the very basic needs of a civilized lifestyle. Mahatma Gandhi, the father of our nation gave the mantra "Cleanliness is Godliness" and our Honourable Prime Minister Narendra Modi launched The Swachh Bharat Mission inspired by Mahatma Gandhi. Cleanliness and Hygiene are not only for our personal belongings or our own homes, we need to make sure to keep our surroundings clean wherever we go. Clean India Mission focuses on the eradication of open defecation all over the country and efforts have been made for the same since its commencement by government, it is doing every bit to make sure that our country becomes cleaner and more hygienic by every passing day, and as responsible citizens, it is our duty to make sure that we do our bit to help with this noble mission.

REPORT

Program title : CREATING A TOBACCO FREE SOCIETY

Tobacco consumed in any form causes inexplicable harm to the body and health. It is observed from numerous studies that the Tobacco consumption has been the main cause of cancer. The department of Mechanical Engineering has therefore taken up the task of educating it's students on the evils of Tobacco consumption. A program was arranged in which Prof. B Nagaraju, HOD of Mechanical Engineering, delivered a lecture on this subject for students of all branches. A pledge to this effect was taken for all the students.

Tobacco is highly harmful and it causes cancer. Hence, it is our motto to free the society from this deadly substance. Mech Department Hod Prof B.Nagaraju and faculty participated.

A beach cleaning programme "SAMUDRA SAMRAKSHANAM" was initiated by the department of mechanical engineering on 18-08-2022 at Bhimilli Beach.

Around 150 students participated in the programme to clean up the beach spreading a range of 200 metres. Students are divided into groups at the Bhemilli Beach and each group was given a specific task such as removal of plastic bags, bottles, etc. It is very important to understand the harmful effects of plastic on Aquatic life. As oceans play a major role in ecological balance and timely rainfall, It is important to preserve the marine life. At present, the statistics say there is huge drop of marine life in the oceans and seas due to the water pollution. Most of the plastics dumped into the oceans are consumed by the life in the water and becoming a threat to the ecological balance. As a part of NSS Activity, the Department of Mechanical Engineering took this initiative to clean the beach premises.

Report on

Awareness Lecture on "Save The Soil Movement"

Description:

The Green club of ECE department had organized a awareness lecture on SAVE THE SOIL MOVEMENT by the Mr.Sreenivas rao, Volunteer, ISHA foundation, Visakhapatnam to the students on 13th April, 2022 from 12:15 PM to 1:30 PM at seminar hall, ECE department, ANITS.

In this lecture, he informed the students about the importance of saving soil, its value, how much of the world's soil has already been degraded (52 percent), and possible solutions. He also emphasized the value of the "EARTH BUDDIES" internet link and urged the students to sign up. And he encouraged the students to use this website to send a letter to our Prime Minister about the significance of preserving soil. He talked with the students, interacted with them, and played a few Sadguru films on the "save the soil movement." He also explained to the students the actions that are taking place as part of this campaign to inspire people.

Event Outcomes:

At the end of this event ,

1.Created awareness in the Students about the importance of the soil to survive the living on the earth.

2.Students got knowledge about the "how can we save the soil" and Earh buddies website.

100 సంవత్సరాల క్రితం 1 నారింజ పండులో ఉన్న పోషకాలు నేడు 8 నారింజలలో ఉన్నాయి

ప్రపంచంలోని 52% వ్యవసాయ భూమి ఇప్పటికే నిస్వారమైపోయింది - ELD ఇనిషియేటివ్

ప్రపంచవ్యాప్తంగా వ్యవసాయ భూముల్లోని మట్టి, మరో 60 సంవత్సరాల వరకు మాత్రమే పంటలను ఉత్పత్తి చెయ్యగలదు - UN FAO

మట్టిని సజీవంగా చేయడం ఎలా

పంటల పోషణకు మట్టిలోని సేంద్రియ పదార్థం ఎంతో అవసరం.

సేంద్రియ పదార్థం మొక్కలు ఇంకా జంతువుల వ్యర్థాల నుండి వస్తుంది

మట్టి నిర్జీవమైయ్యింది

మొక్కలు, జంతువుల వ్యర్థాలు మట్టిలో కలిశాయి

మట్టిలోని జీవాలు సేంద్రియ పదార్థాన్ని తిని, మొక్కలకు పోషకాలను ఉత్పత్తి చేస్తాయి

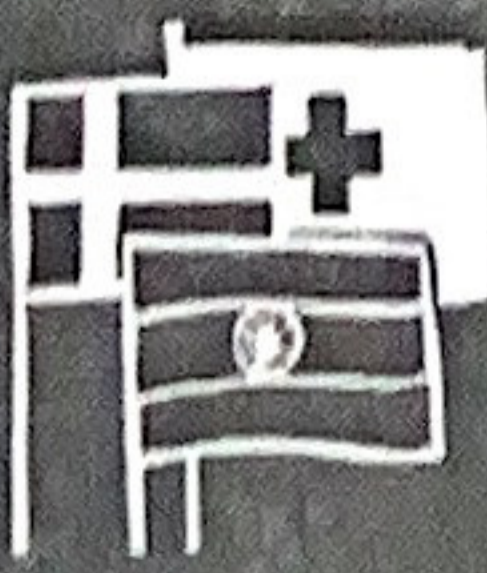

నేల సంపన్నమవుతుంది

చాకైన పోషకాహారం వాతావరణ మార్పులలో తగ్గుదల మొదలైన జీవవైవిధ్యం పేదరిక నిర్మూలన

మట్టి పునరుజ్జీవమైంది మొక్కలు, జంతువులు పెరిగి వృద్ధి చెందుతాయి

192 దేశాలలో ప్రభుత్వ విధివిధానాలు

మట్టి సజీవంగా ఉండడం కోసం కనీసం 3% సేంద్రియ పదార్థం

ఇప్పుడే స్పందించండి

Anil Neerukonda Institute of Technology and Sciences conducted awareness programme on "Say no to single use Plastic" on 3rd August 2022 in coordination with NSS and Green-Club of ANITS. On this occasion competitions like Elocution, Poster Presentation and painting were conducted to bring the awareness among the students.

The Chief Guest of the occasion, Dr.G.Lakshmisha, IAS, and Commissioner GVMC addressed the gathering and encouraged all the students to not use single use plastic and instead they can use eco-friendly bags. He distributed prizes to all the prize winners and he congratulated the students. He also appreciated the faculty and Management to conduct this event and supportit enthusiastically.

The event was attended by many GVMC officials who encouraged the college students and faculty by distributing cloth bags to everyone.

Dr.K.Sri Rama Krishna, Principal of ANITS addressed the students advised them not use single use plastic and instead they can use recyclable materials like cloth, Jute or paper bags. He distributed jute bags to all the staff members provided by the Management of ANITS.

The programme was successfully concluded by a pledge taken by all participants saying, not to use single use plastic. Principal appreciated all the coordinators of NSS and Green-Club of ECE.

MECH NSS REPORT ON BLOOD DONATION CAMP

Blood donation refers to a practice where people donate their blood to people so it helps them with their health problems. Blood is one of the most essential fluids of our body that helps in the smooth functioning of our body. If the body loses blood in excessive amounts, people get deadly diseases and even die. Thus, we see how blood donation is literally life-saving which helps people. The blood that we donate helps a person in need. It enhances their health condition and makes them overcome their critical situation. In other words, blood donation does not simply help that specific person but also contributes to a responsible gesture towards society. Moreover, it also enhances the health of the donor. As the cell depletion allows a way for production, not new cells that freshen our body system. 120 units of blood is collected on that day. our whole unit work as a team work and our students who came across to donate blood. made our day happy and proud and event success. Mech Department Hod Prof B.Nagaraju and NSS faculty coordinator Dr K Satyanarayana encouraged students to participate in this program.

An interactive rally is organised by the department of mechanical engineering on 28-06-2022. The theme of the rally is "SAVE EARTH AND SAY NO TO PLASTIC".

Students are divided into groups at the adopted villages and each group was guided to interact with the residents and share the words of awareness on "save earth and say no to plastic". They explained the harmful effects of plastic on animal and Aquatic life on the earth. It is important to realize how bad the situation has gotten. Plastic debris ends up in oceans, lakes, rivers, and even our food supply, and it is time for all of us to take an action before it is too late. If we do not start acting now itself, very soon our entire planet will be covered in discarded plastics and we will not be able to remove all of them. This is why one of the most effective ways to stop plastic pollution from continuing is by creating awareness among people about this issue.

Since we are using so much plastic every day, it is very difficult for us to completely avoid it, but if we take some simple steps like bringing reusable Eco-friendly bags when you go shopping or carrying a metal straw with you while going out, then these little things make a huge difference over time. Students emphasised the importance of simple alternative practices to the villagers as mentioned above.

MECH NSS REPORT ON TREE PLANTATION FOR LIFE IN ASSOCIATION WITH RED CROSS SOCIETY.

Plantation of trees in and around the company are meant mainly to **reduce air pollution caused** by factory emissions, to absorb sound, to prevent soil erosion and to maintain aesthetic value for healthy living. The more trees there are, the cleaner the air will be. This is due to the oxygen levels provided by trees that are then provided to other living things, helping us breathe better and cleaner air. They can also **filter particulates from the air** using their bark and leaves. Tree plantation is significant because it is **linked to our basic need for good food to eat and clean air to breathe**. Aside from these necessities, they preserve biodiversity, conserve water, preserve soil, and control climate, among other things. Red cross society donated 900 plants to ANITS . Tree plantation for life along with Principal Professor TVHM Rao and Mech Department Hod Prof B.Nagaraju and NSS faculty coordinator Dr K Satyanarayana participated with NSS students.

NSS EVENT 2

WORLD WATER DAY AWARENESS PROGRAM (WORLD WATER DAY: 22 MARCH 2022).

DATE: 22 MARCH 2022

PLACE: ANITS COLLEGE PREMISES and TAGARAPUVALASA.

Principal and our organization decided to celebrate WORLD WATER DAY: Awareness Programme.

The objective

We the department of chemistry association with the NSS unit of ANITS organised an event as a part of "WORLD WATER DAY" To create Awareness among the people on some theme, like Importance of water resources for clean, healthy Environment mainly to reduce all types of pollutants to maintain aesthetic value for healthy living. Awareness is significant because it is linked to our basic need for good food to eat and clean amenities to live. Conservation of water preserve soil, and processing Bio-Geo chemical cycles to maintain Ecological Balance ultimately leads to Sustainable Development.

The principal along with Some Faculty, NSS Officers organised this event successfully. Some Faculty along with Around 500 students were participated in this event.

NCC FIT INDIA 2K RUN REPORT

Azadi ka Amrit Mahotsav - India @ 75: Fit India Freedom Run 2.0

Azadi ka Amrit Mahotsav - India @ 75 is organizing Fit India Freedom Run 2.0 throughout the country. Taking inspiration from inaugural speech of Hon'ble Prime Minister of India, during the curtain raiser of Azadi ka Amrit Mahotsav on 12th March 2021, Ministry of Youth Affairs and Sports has conceptualized celebration of Azadi ka Amrit Mahotsav under the pillar of Actions and Resolves @ 75.

Fit India Freedom Run' was conceived last year in the wake of COVID - 19 Pandemic when social distancing became ' new normal ' lifestyle, so as to keep the imperative need of fitness active even while following the social distancing norms, Fit India Freedom Run was launched on the concept of virtual run i.e. ' it can be run anywhere, anytime! You run a route of your choice, at a time that suits you. Basically, you run your own race and time your own pace '.

ANITS NSS UNIT taken initiative conducted this program infatuated by prof Tvhm Rao garu principal ANITS and Venu Gopal incharge and care taker NCC unit ANITS event monitored and organized successfully.

Clean up the beaches in the city as part of the

‘Swachh – Nirmal Tat Abhiyaan’

In an attempt to improve the sanitation on beaches and create awareness among citizens about the importance of coastal ecosystems, the Ministry of Environment, Forest and Climate Change (MoEF) has launched the mass cleanliness drive at beaches

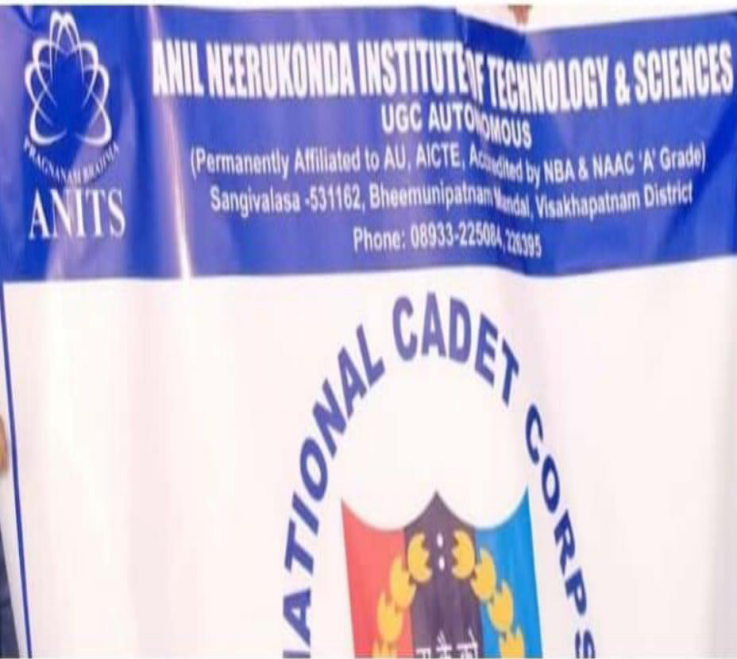

Beach cleaning or clean-up is the process of removing solid litter, dense chemicals, and organic debris deposited on a beach or coastline by the tide, local visitors, or tourists. Humans pollute beaches with materials such as plastic bottles and bags, plastic straws,

REPORT ON INTERNATIONAL YOGA DAY

Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfilment harmony between men and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with you, the world and the nature. By changing our lifestyle and creating consciousness, it can help in wellbeing. Mechanical Engineering students with Mech Department Hod Prof B.Nagaraju and faculty participated.

REPORT

Program title: MAKE INDIA- ROLE OF MECHANICAL ENGINEERS

The department is taking numerous initiatives to inculcate inquisitiveness and innovative thinking in the students. These traits once developed in a student will give him an edge in this competitive world. When the country is looking towards its young technocrats for bringing about a technological revolution, it is up to the technical institutions to mould the students such that they possess all the traits necessary to become successful. With this objective in mind the department has organised an awareness program on "Make India- Role of Mechanical Engineers". This program is designed to create a mindset in the student on the necessity of transforming ideas into Start-ups.

The eminent speaker Prof. B. Nagaraju HOD of Mechanical Engineering, who has rich experience in academics enlightened the students on this pertinent subject. The speaker presented the list of facilities available in the institution and the nature of support being provided by the management.

An awareness program on Make India Role of Mechanical Engineers for the II/IV and III/IV B.Tech Mechanical Engineering students with Mech Department Hod Prof B.Nagaraju and faculty participated .
