ANIL NEERUKONDA VASATHI SCHEME

PURPOSE

Anil Neerukonda Institute of Technology and Sciences offers various programs under School of Engineering. The purpose of this policy is to publish fee structure and various scholarship schemes available to students under different programs in all the college.

SCOPE

This document is intended to define and document the Policy for hostel fee waiver under “ANIL NEERUKONDA VASATHI SCHEME” for batches starting in 2015 and beyond for all programs offered by Anil Neerukonda Institute of Technology and Sciences. This policy does not define the eligibility criteria for admission - these criteria are defined separately through admission notifications for each academic year.

POLICY STATEMENT

Under this scheme a fee waiver of Rs. 10000/- towards hostel fee is given to the students to encourage them to join various core engineering courses like Chemical Engineering, Civil Engineering, Electrical and Electronics Engineering and Mechanical Engineering. This policy is to provide the students a fee relief of the above said amount in terms of the hostel fee.

PROCEDURE

Out of all the admitted students a fee waiver is given to the students joining the core branches of Chemical Engineering, Civil Engineering, Electrical and Electronics Engineering and Mechanical Engineering.

CONDUCT

The fee waiver is applicable for all the four years of the study in the college subject to good conduct in the hostel and college along with maintaining proper attendance and good grades.

If student availing the fee waiver fails to adhere to the code of conduct, then the student will forfeit from availing the fee waiver for the semester and the upcoming semesters.

The reports of such incidents will be brought to the attention of the college head by the hostel warden and hostel in charges along with the proofs, and a through enquiry is to be conducted before the decision is made.
