So that, they can spend few minutes every day in few minutes to get relief from stress and improve their health through several asanas and Pranayamas .He also encouraged them to make sure they pursue those activities throughout their life. Also, the session focused on explaining how each one of us is so powerful and omnipresent, by practicing yoga and to experience the "relaxation" and how that very feeling can give them the ultimate joy. This helped our students to get relaxation through yoga and created an awareness about different asanas and pranayamas. He also gave some remedies for some of the students mental and physical health issues in terms of yoga .He also explained the power of yoga , how to improve the concentration levels and memory power .

Online GUEST LECTURE BY SRI. V. V. LAKSHMI NARAYANA GARU

The Department of Mechanical Engineering, Anil Neerukonda Institute of Technology and Sciences organized an online guest lecture by V.V. Lakshminarayana. V.V. Lakshminarayana Garu, well known as JD Lakshminarayana Retired police officer, and Politician delivered an online Seminar on “The Oration on Student as Dynamic Leaders Professional and Ethical Values” to the students of Anil Neerukonda Institute of Technology and Sciences on 23rd January 2022, based on the occasion of the 125th Birth Anniversary of Netaji Subhash Chandra Bose “Parakram Divas”, Azad ka Amrit Mahotsav (75th Independence Day Celebrations). Prof T.V Hanumantha Rao(Principal, ANITS) and Prof. B. Nagaraju (HOD, Mechanical) welcomed him.

The event started with Nagaraju sir welcoming JD sir and Ch. Shreyesha started the event with her introduction and a ppt has been displayed about the JD sir, later our HOD Nagaraju sir delivered his speech, and then JD delivered his lecture motivating the students. The event has been conducted online in the google meeting where around 570 students along with the faculty joined. As the meet is restricted to only 250 the meeting has been live-streamed. Many others who were enthusiastic followed the lecture through the live stream.

The students who attended the lecture derived much benefit from the Lakshminarayana Sir's views about Students as Dynamic Leaders. He quoted the ANITS moto Pragnanam Brahma. It means Supreme knowledge is Brahma. He explained how a student should be and what does the student need to do to be a dynamic leader. As Sir is also from a mechanical background, he gave guidance and helped the students. His speech is all fact-based about how a student should be focussing and gave us many examples. His speech consisted of his life experiences; students as dynamic leaders ethical values of

Due to the time factor, many students who were eager and energetic to interact couldn't get the chance to interact with the JD sir.

Students of other branches as well as the Alumni of the Mechanical department joined as well. The event has been conducted under the UTOOCAN student club of the Department. The planning and

execution have been done by M.Rohit, V.Vishnu, and all the members of the UTOOCAN club. Yashwanth Ippili, Alumni of the department helped the students in making the event a huge success. In the end vote of thanks has been delivered by K Karthik. All the students of the mechanical department, as well as other departments, gathered and were inspired by the words of the JD sir. Seeing the energetic students, JD sir himself told he would be visiting to interact once the Covid decreases.

Summary Report

Topic: Yoga / Pranayama (Breathing techniques) stress and relaxation techniques

Date:17-12-2021

Time:11.00AM TO 12.00PM

Venue: Sales force lab, IT Department, ANITS.

Yoga is the hype of the moment in the fitness world. But fortunately, this ancient discipline is something more than just a passing trend. Its roots are really ancient, and the modern evolution that we know is certainly different from its original nature. It remains, though, the desire for many people to approach this meditative discipline so fascinating which can help us find that difficult balance and give us that physical and mental energy so important to deal with our daily routine. As a part of Student Induction Programme Yoga session was conducted.

The sessions were held by Sri.R.Venkateswara Rao Qualified Yoga Therapist & Certified Yoga Trainer & Founder Healthy Yoga Research Center, Visakhapatnam (India).

He explained Objectives & Outcomes of Yoga, Importance of yoga, Benefits of Yoga practice, Flexibility & Mobility Asanas, Surya Namaskara Asanas, Sitting Asanas, Immunity boosting asanas and Stress Management.

The goal is a balanced life, with time for work, relationships, relaxation, and fun—and the resilience to hold up under pressure and meet challenges head on.

Health and Fitness Campaign Report

The department of ECE, ANITS was evolved with a brand new name TACHYON 2K18, which has enhanced the traditions and customs of the department to the next level. As a Curtain Raiser to the fest "TACHYON 2K18", the department has taken an initiative to conduct an awareness program on "Health And Fitness Campaign" organized by the members of Tachyon Team (N.Chaitanya Sai, N.Manish Babu, K.Srinath and Manikanta Gupta of 3/4 ECE) on 18th February, 2018 at YMCA, Visakhapatnam. This campaign had a lot of background work to avail permissions from The GVMC and The Police Department, Vizag for organizing the event from 6:00 AM to 8:00 AM on 18th February, 2018 at Vizag Beach Road. The Campaign included various programs like 5K-run and cultural events. The event was commenced by our Chief Guest Prof T.V.Hanumantha Rao, the Principal of ANITS; Dr. V.Rajya Lakshmi, the Head of the Department of ECE, the teaching and non-teaching staff of the department along with the students.

The run was started at 6:30 AM from Kaalimatha Mandhir to The Park circle (taking U-turn) and back to YMCA (ending point). There were nearly 400 participants who participated in the run. Students have displayed placards related to Health and Fitness. The team has distributed water bottles to all the participants after the run. The Top 6 runners (3 Boys, 3 Girls) were awarded medals as a token of appreciation from The Principal and HOD, ECE at YMCA. Our beloved Principal has addressed the gathering with his kind words and appreciated all the participants who participated and the Tachyon Team for conducting this campaign.
