#### ABOUT THE COLLEGE

Anil Neerukonda Institute of Technology and Sciences(A),(ANITS),Visakhapatnam was established in 2001 by Anil Neerukonda Educational Society (ANES). ANES works to promote technical and human values through various educational institutions without any motive for profit. ANITS is located in a plot of 12 acres in Sangivalasa village of Bheemunipatnam mandal nearer to beautiful city of Visakhapatnam. The college is permanently affiliated to Andhra University and is accredited by NAAC, NBA and UGC. From its inception, ANITS has strived to train young men and women to confident and competent engineers. The college was awarded "Center of Excellence" by Infosys Technologies in the year 2011 and "National Employability" in 2014 by Aspiring Minds, New Delhi. The college offers undergraduate and postgraduate programs in various disciplines of engineering such as CSE, IT, EEE, ECE, Mechanical, Civil and Chemical. With a unique team of governing body, inspiring management and proficient educators, ANITS continues to march forward with greater zeal and dedication to construct a world class educational institute.

#### ABOUT THE DEPARTMENT

The Department of Chemical Engineering was started in the year 2012. The Department of Chemical Engineering in ANITS boasts of a very efficient team of faculty. The faculty participates actively in state of the art research and continuously thrives to update knowledge and skills. The same is imparted to the students in class rooms by conducting workshops, seminars and conferences to craft the next generation of engineers. The department is well equipped with Chemical Engineering laboratories and various equipments for inter disciplinary research in the fields of Biotechnology and Nanotechnology. Modern

teaching methodologies are constantly implemented to foster an improved class room environment. Team work among students is encouraged to inculcate positive work habits and passion to work wisely, creatively and effectively. Till date, the Department organized three National workshops on "Application of Computational Techniques in Chemical and Biochemical Engineering", "Environmental Challenges and Strategies", "Application of Theory to Process Industry for Engineers" and "Process Flow and Instrumentation Diagrams - an Industrial Perspective" in 2015, 2016, 2017 and 2018 respectively.

#### ABOUT THE CONFERENCE

RACE (Rays of ANITS Chemical Engineers), the students association of the Department of Chemical Engineering was started in February 2015 to enhance curricular, co-curricular and extra-curricular activities. Three National Student Conferences "CHEMFLARE-2k15, 2k17 and 2k18" were organized under student body RACE in 2015, 2017 and 2018 respectively. Now, the department is conducting "CHEMFLARE-2k19", a National Student Conference under RACE to organize Lectures by experts, Paper presentations by students, Elocution, Technical Quiz and Spot events etc. The areas covered are Separation processes, Reaction engineering, Novel technologies, Modeling and simulation, Energy, Process control, Safety management, Bioprocess engineering and Environmental engineering.

Students are invited to participate in paper presentation, elocution, technical quiz and spot events. The authors are required to send a soft copy of the abstract by e-mail along with registration form on or before 23<sup>rd</sup> February 2019. The title, abstract and full length paper should not exceed 50 characters, 500 words and 12 pages respectively. (A4 size, 1.5 line spacing, Times New Roman and Font size 12).

#### IMPORTANT DATES

The first round was conducted on 10<sup>th</sup> February 2019. The first round is an online round where all the participating teams are given two cases to which they have to give their best possible solution.

The cases are as below:

Case 1:

BEAT HARMONY — BEAT HARMONY Television is a satellite and cable television channel operating in the international market. The firm is owned by an American company and was launched in 1981 in the American market. Initially, the main content aired by the firm was light popular HARMONY suited to people aged between 18 and 35 years. The firm gradually added more content suited to people of different ages, including children and elders. In 1987, the company started expanding into the global market, starting with Europe. After achieving significant market growth in the European market, the company expanded its operations into the Middle East in 2007. The Arab culture is the biggest challenge that BEAT HARMONY faced when expanding into the Middle East. The Arabic Culture and the Challenges it poses to BEAT HARMONY — The Arabic culture is unique since it is strongly attached to religion. Although there are a few other religions in the Arabic world, most Arabs follow the Islamic religion. Consequently, most Arabs hold onto strict moral values and norms. People in most of the countries that make up the Arabic world embrace a conservative culture. The components of the Arabic culture, therefore, have significant variations from the components of the western culture. Exposure of most parts of the woman's body is tolerated in the Western culture, but not in the Arabic culture. As such, the Arabic culture is conservative while the Western culture is explicit. Just like in other cultures, the Arabic culture is made up of numerous sub-cultures. For instance, the culture of the people of Saudi Arabia has some differences from the culture of the citizens of the United Arab Emirates and Qatar. Due to the conservative culture that is prevalent in the Arabic nations, most Arabs are likely to perceive such content as being offensive. Further, BEAT HARMONY is faced with the challenge of coping with the different subcultures existing in the Arab world.

Case 2:

EMPLOYEE OVER TIME ----- Neon Tech is an IT based service company whose turn-over is 120 crores. It was initially established in Bangalore. The company deals with small establishments which require software that help them to maintain their Web Development, Customer data, keeping record of their Financial Transactions, Infrastructure Establishment, Network Securities and Local Communication Services. Neon Tech has already signed a contract with Surya Engineering Solutions for Web Development Service. The contract was made for 4 crores with the condition to deliver the product by 31st December 2018. The contract was signed on 1st July 2018. The working hours of the employees were 9 hours a day starting from 9am in the morning to 6pm in the evening. Half way through the completion of the project Neon Tech was offered with another much awaiting project in the Government Sector. Getting projects in the Government Sector is one of the major accomplishments for any regional company. But the schedule of the workers may turn cumbersome as the project period for both is alike and the employees need to work overtime in order to meet the deadlines. The latter one cannot be neglected as once a project in the Government is successfully delivered, then the value of the company will be drastically changing, and market may increase. The company is not in position to pay overtime to the employees while the employees are also not ready to work without any incentives. The first contract should not be broken and the latter one should not be denied while the existing employees should work overtime. Neon Tech is facing challenge in coping up with the situation and keep their employees in tact while boosting them to deliver their project in stipulated time. Device a strategy keeping in mind the reputation of the company after the delivery of the Government project.

By the 11<sup>th</sup> February morning submissions were closed and by 13<sup>th</sup> february evening all the responses were studied and a total of 23 teams were shortlisted for the second phase of BCOMBAT.

TO  
The principal,  
ANITS.

Sub: Request for permission to organize Eco-friendly Ganesha event on 11<sup>th</sup> & 12<sup>th</sup> sep,2018.

sir,

Green club of ECE department is planning to organize an event on the eve of Ganesh chaturdi. On this regard in association with "Paryavarana Margadarsi Vaisakhi" organization, we want to sell 300 Eco-friendly Ganesh idols with medicinal plants in it. So, after nimajjanam of the idol, a plant grows from it. So, we seek permission to sell the idols at a nominal price of 20/- each.

We hope this year also, we get good response like last year.

Thanking you sir,

Green club co-ordinators:

1.Ms.P.Chaya devi 

2.Ms.K.Yashoda 

Yours sincerely,

### Summary of QUIZ event-INQUIZITIVE-2k18

**Theme of the Event:** A quiz can function throughout a course as an informative feedback device allowing both the instructor and the student to see where they are excelling or need more focus. It helps the students to analyze the situation better as one would without proper knowledge.

The IETE student Forum (ISF), ACES, IEEE ISB, Department of ECE organized an quiz event in collaboration with the T.I.M.E institute of Vizag Named "INQUIZITIVE" on 18th August 2018 for all the branches of B.Tech pursuing students. The event was conducted at the central auditorium (A-block). A total of 163 teams, each consisting of 2 participants, participated in the competition. A preliminary Screening test was conducted first, where handouts were given to the participants, from which 7 teams were shortlisted. The final quiz was organized with these 7 teams by Mr. N.Gautam, as Quiz master.

Mr N.Gautam is the centre director of T.I.M.E. Vizag. He is a Quiz master since 25 years and has conducted quizzes in various cities like Mumbai, Pune, and Delhi. He is a personality development trainer; an avid trekker .He was invited as a Quiz master for this event.

The final quiz round consisted of 6 rounds of which one round is a visual round. In this round images were displayed on the projector and questions were asked on the image displayed. In all the remaining rounds the questions were asked orally. In each round questions are asked on a specific topic like the first round questions are based on the topic sports and the second round is on business, and the next rounds included mythology, history and politics and mixed bag respectively.

At the end of every round audience were also asked some questions and prizes are given to the person who answered correct. Finally, three teams were declared winners of the event and cash prizes were handed over to the winner's.

The cash prize for the first winner was Rs3000/-and for the first runner up it was Rs2000/-,for the second runner up it was Rs 1000/-.The prize money to the winners was given by the H.O.D ,department of ECE Dr.V. Rajya Lakshmi and Mr.N.Gautam.

## Event Summary Report

### "A Two day orientation program for fresher's"

The Department of E.C.E, Anil Neerukonda Institute Of Technology And Sciences has organized a two day "orientation program" for newly joined first year students on 13<sup>th</sup> and 14<sup>th</sup> of august 2018. On the first day morning session, third year students organized multiple events like dub smash, pictorama, spot events, sayings identification etc. for the fresher's. All the events were thoroughly planned by third year students to ensure all round participation of fresher's. All the events were in-house events aimed at development of their extracurricular skills.

In the afternoon Session fresher's were addressed by Dr V.Rajya Lakshmi , HOD, Dept. of ECE in the Main Auditorium followed by Dr K.Murali Krishna, Professor, Dept. of ECE, Dr M.Subba Rao, First Year coordinator and Dr K.Ranga Rao, Professor, Dept. of ECE who delivered their messages on essence of being an Engineer and the opportunities of ECE Engineers in the outside world. After that a spiritual lecture was organised by the department on "Art of mind control" delivered by "Jita Mitra das" from Akhsya Patra foundation. He elaborated on real life illusions we thrive after but ignore the important aspects of life. He explained about the ways to find inner enemies and what does having control over our senses can achieve in real world with different examples.

On the Second day morning session, Second year students organized group events like duty smash, spot events, Biscuit eating contest etc. Finally few students from first years were selected from the fresher's as event winners and runners. After this the GREEN CLUB of ECE member's organized distribution of Cloth made carry bags in the campus through first year.

Cloth bag distribution (Green Club Event)

In the Afternoon session, Third year student C. Sai Kishore organised a fitness event for the fresher's on behalf of SPORTS CLUB of ECE. He conducted various events like plank, dead weight lifting and push up for first year boys and girls. To encourage the students, Dr.K.Murali Krishna, Professor, Dept. of ECE also participated in the event. Student who have shown good skills have been rewarded with goodies.

This event was followed by a Yoga Session organised by Yoga club of ECE. Mrs D.Mohini Kumari has instructed the participants with different ASANAS and explained their importance in our daily life. She appreciated students of ECE for their level of concentration in performing some difficult asanas at beginner levels.

YOGA SESSIONS (ASANAS)

This event was followed by a "Jumba Dance" session. Dance master from "Vizag Dance club" demonstrated dance moves to the fresher's and made them dance to their vibes which was a stress reliever for the students. The student winners and runners from class events were awarded with Mr fresher and Miss fresher awards.

## Event Summary Report

### "Awareness Program On Plastic Free World"

The Department of E.C.E, Anil Neerukonda Institute Of Technology And Sciences has initiated an awareness program on "Plastic Free World" at Beach Road, Visakhapatnam on Sunday **12-08-2018**. The campaign is to create an awareness on reducing the usage of plastic bags and to go for the jute bags. It has been a successful event with an active participation from both the students and staff of the department. The campaign was inaugurated by the HOD, Department of E.C.E Dr. V. Rajya Lakshmi garu, faculty and the students of 4/4 E.C.E which was then started with a rally along the beach road, holding the banners and protesting to stop the use of polythene bags This event was concluded by a cleaning campaign in the beach.

Rally at Beach to promote "No Plastic" /  
"Plastic Free World".

The participants (includes all students and staff of E.C.E, ANITS) started cleaning the beach and everybody else joined their hands in the campaign. Senior IPS officer V.V. Lakshminarayana, who happened to visit the beach road, was kindly invited to join this beach cleaning campaign. He accepted the invitation with an evident pleasure and joined the campaign along with the students. When asked about the campaign, he said- "It's wonderful to be here at the beach, interacting with the students of ANITS and basically it is a good thing to involve youth in societal activities. As Swami Vivekananda said people who live for others are alive and rest of others are dead. So we should always inculcate a sense of feeling for society. We keep our home clean but not the road clean because we feel that home belongs to us but not the road. When we start doing such type of campaigns with involving youth in it, they get a feeling that everything belongs to us , especially in children."

## Cleaning the beach (Plastic collection)

He also added, "the main reason for destruction is developing a sense of non-belongingness. Everybody should develop an aesthetic relation with nature then a sense of belonging will develop in everyone. So the thing what the students of ANITS are doing is very appreciable" and suggested to add as many students as possible. When asked about what he would suggest for the youth, Mr .V.V. Lakshmi Narayana said- "My suggestion for the youth is to get involved; do not think that it is not your concern because the next seven years are very crucial for the country. By 2025 75% percent of the population will be youth. So what you are going to be is what the nation is going to become. The problem of youth is that, everybody wants a government job and it's not possible for the government to create so many jobs. So there should be a development of entrepreneurship and youth should go back to farming and use present day technology to improve the productivity and does not forget to develop belongingness." he added. Finally the campaign ended, as everyone tried to make a difference in the beach and in their lives too. In total 150 people participated in the event
