DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

Date: 10-12-2018

CIRCULAR

There will be a one day workshop on "Research Challenges and innovations in renewable Energy systems" by Sri A. Ramesh, Divisional Engineer (Load Dispatch), AP TRANSCO, Hyderabad on 18-12-2018 (Thursday) from 9.00 am to 4.00 pm in Simulation Lab. All the faculty of EEE department make use of this opportunity without fail.

PRESS NOTE

The Department of EEE has conducted a one day workshop on "Research Challenges and innovations in renewable Energy systems" by A. Ramesh, Divisional Engineer (Load Dispatch), AP TRANSCO, Hyderabad on 13-12-2018. The faculty of EEE has attended this workshop. In his speech he briefly described about the renewable energy resources and significant opportunities for energy efficiency exist over wide geographical areas, in contrast to other energy sources, which are concentrated in a limited number of countries. Rapid deployment of renewable energy and energy efficiency, and technological diversification of energy sources, would result in significant energy security and economic benefits.. Prof.G.Raja Rao HOD of EEE at the end of his session felicitated him for his valuable speech and experience which is helpful for the faculty to improve their academic skills.

ABOUT THE COLLEGE

Anil Neerukonda Institute of Technology and Sciences (ANITS), Visakhapatnam was established in 2001 by Anil Neerukonda Educational Society (ANES). ANES works to promote technical and human values through various educational institutions, without any motive for profit. ANITS is located in Sangivalasa village of Bheemuni patnam mandal, about 30 km from the beautiful city of Visakhapatnam. The college has been accredited by NAAC, NBA, UGC and attained autonomous status in the academic year 2015-16. The college has been awarded "Centre of Excellence" by Infosys Technologies in the year 2011 and "National Employability" in 2014 by Aspiring Minds, New Delhi. Undergraduate and postgraduate programs in CSE, IT, EEE, ECE, Mechanical, Civil and Chemical Engineering are being offered at ANITS. With a unique team of governing body, inspiring management, and proficient educators, ANITS envisions to emerge as a world-class technical institution whose products represent a good blend of technological excellence and the best of human values.

ABOUT THE DEPARTMENT

The Department of Chemical Engineering was started in the year 2012 and has an efficient group of faculty from IISc, IITs, BITS and other reputed state universities. The department is well equipped with chemical and interdisciplinary laboratories.

Convener, IOAC
Anil Neerukonda Institute of
Technology & Sciences
Sangivalasa-531 162
Visakhapatnam Dist.

The faculty participate actively in the state-of-the-art research and continuously thrive to update knowledge and skills. The same is imparted to the students in classrooms by conducting workshops, seminars and conferences to craft the next generation of engineers. Modern teaching methodologies are implemented to foster an improved classroom environment. *The department envisions to emerge as centre of excellence in Chemical Engineering and attain global recognition in fulfilling the needs of industry and society.*

ABOUT THE WORKSHOP

Indian Chemical Industries contribute to 6% of our GDP (\$ 135 billion). For efficient technological production of chemicals, a chemical engineer requires thorough understanding of the process that comprises of various equipment like reactors, heat exchangers, distillation columns, etc. and numerous instruments like pressure gauges, flow meters etc. **Process Flow and Instrumentation Diagrams** help Chemical Engineers not only to understand the underlying process, but also in evaluating various process controls to optimize the production and to safeguard against possible workplace accidents. This workshop aims at bridging the gap between the academic and industrial approach of studying and understanding the **Process Flow and Instrumentation Diagrams** by providing **hands-on** experience to the fresh chemical engineers to face the challenges when they start working in the industry.

Department of Chemical Engineering
National Workshop on
Process flow and Instrumentation diagrams – An industrial perspective

Press Note

The Department of Chemical Engineering, ANITS, Visakhapatnam, in association with Process Engineers from Hyderabad is organized a two day National Workshop on, "Process Flow and Instrumentation Diagrams – An Industrial Perspective", during 21st and 22nd, Dec., 2018. The inaugural program was graced by Prof. T.V. Hanumantha Rao, Dean Academics, ANITS. The other dignitaries who graced the occasion include, Mr G.Vijay Kumar, Head, Process Engineers Group, Hyderabad, Head of the Department of Chemical engineering, Prof. S.Subba Rao and the Convener of the program, Ms.Suchitra Bandi.

Prof. T.V. Hanumantha Rao, the Dean academics, ANITS insisted upon flexibility to meet the diversified needs of both industry and community for which Chemical engineers need to be flexible for horizontal diversification and vertical expansion. He appreciated the organizers for incorporating Hazard analysis and management which is the need of day

Mr G.Vijay Kumar, the Guest of Honor from Process Engineers Group, narrated his experiences during the initial stages of job. A firm grip on ten equipment of chemical engineering is sufficient to understand and also develop flow sheets that can meet industry needs.

Prof. T.V. Hanumantha Rao, Dean Academics, Dr. Pradasadarao Dean Examinations, ANITS, Head of the Department of Chemical Engineering, Prof. S.Subba Rao, faculty and students of chemical engineering attended the same.

Sir,
Sub: Faculty Development Program (FDP) Proposal-reg.,

I, Dr.T.V.Hanumantha Rao, Principal, Anil NeeruKonda Institute of Technology & Sciences, would like to put forward a proposal of conducting six (06) Day Faculty Development Program on "Internet of Things" in our institute through your reputed organization. Anil NeeruKonda Institute of Technology & Sciences is an autonomous institution Status by University Grants Commission from the academic year 2015-16 onwards, accredited by NBA, and the prominent institute with NAAC (A+ grade) in Andhrapradesh State. The proposed Dates are from 11th June,2018 to 16th June,2018. We assure you that we would provide all the required resources except financial assistance for the successful conduct the programme.

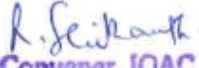

The list of resources mentioned below:

1. Seminar Hall
2. LCD Projector along with the audio system.
3. Computer laboratory with good configured systems (for Hands on sessions).
4. Assistance for accommodation to outside participant and resource persons.
5. Transport facility for participants and Resource persons from city.
6. Lunch for external participants.

We look forward for your kind approval at the earliest is possible.

Thanking you sir,

Yours sincerely,

FACULTY DEVELOPMENT PROGRAMME (FDP)

ON

INTERNET OF THINGS (11th June, 2018 to 16th June, 2018)

Organized at

Anil Neerukonda Institute of Technology and Sciences, Visakhapatnam
By Electronics & ICT Academy, National Institute of Technology, Warangal
(An initiative of Ministry of Electronics and Information Technology (MeitY), GOI)

Preamble:

Electronics & ICT Academy is being set up at NIT Warangal with financial assistance from MeitY, Govt. of India (GOI). The jurisdiction of this academy is Telangana, Andhra Pradesh, Karnataka, Goa states and Puducherry, and Andaman & Nicobar Islands UTs. This academy role is to offer faculty development programmes in standardized courses and emerging areas of Electronics, Information Communication Technologies; training & consultancy services for Industry; Curriculum development for Industry; CEP for working professionals; Advice and support for technical incubation and entrepreneurial activities.

Anil Neerukonda Institute of Technology and Sciences College agreed to host this Faculty Development Programme (FDP) on Machine Learning - Recent Trends and Applications in its campus by bringing and caring the participants to this programme and also giving away its infrastructure to organize FDP with active involvement of its faculty of CSE department.

Broad Topics to be covered in FDP:

- Overview of IoT and its roadmap, Opportunities
- CC3200 Platform, Value Line Architecture, Features and Peripherals.
- Connectivity Solutions using CC3200 Wi-Fi - Accessing HTML Page from HTTP Web Server WLAN connection in Access Point Mode & Station Mode and Introduction to Energia IDE.
- Working with: Serial Interface, Wireless interface (RF), multiple peripherals as a system.
- Working with MQTT protocol and pushing the sensor data to the IBM cloud. Configuring MQTT client and server using web browser and Android APP.
- Data acquisition and control using the cloud server with the user interface as Mobile APP and web browser. Working with eclipse.org cloud server.
- Getting weather information from cloud server using CC3200Wi-Fi.
- Working with Temboo and Yahoo cloud server. Getting Time information from cloud server using CC3200 Wi-Fi.
- Sending Email from the Hardware CC3200 using Google mail cloud server.
- Sending SMS alerts using Nexmo and Twilio cloud services.
- Getting connected with Thing speak Cloud platform and sending sensor information.
- Updating real time user location to AT&T cloud platform with map visualization.
- Sensor data acquisition using PubNub cloud server.

Structure of the Course:

The theory for the topics specified in the "Course Contents" is covered over 30 hours in classroom sessions and 10 hours lab sessions.

Course Evaluation:

Continuous assessments at logical intervals. Assessment includes MCQs, Fill in the Blanks, True/False and/or scenario based questions.

Faculty conducting this programme:

The programme will be conducted by the faculty members from NIT Warangal. Academicians in the concerned field from

Reputed Institutes are invited to deliver lectures in the programme. Speakers from industries are also expected to deliver as part of the course.

Eligibility:

The programme is open to the teachers of engineering colleges, MCA colleges and other allied disciplines in Telangana, Andhra Pradesh, Karnataka, Goa, Puducherry and Andaman & Nicobar Islands. Industry personnel working in the concerned/allied discipline can also attend.

Registration Fee Particulars:

- Faculty and Research Scholars: Rs 2500/- Only
- Industry participants: Rs 7500/- Only
- Faculty of SC/ST category: Rs 1250/- Only

The participants need to send a crossed demand draft (DD) drawn in favour of "Director, NIT Warangal" and payable at SDII, NIT Warangal branch.

Accommodation:

No TA/DA will be paid to the participants. Accommodation, Dinner, Breakfast are arranged for outstation women participants at Anil Neerukonda Institute of Technology and Sciences, Sangivalasa. Working Lunch, Tea & Snacks would be provided to all the participants.

Venue: Central Auditorium, Admin Block, ANITS.

How to apply:

A filled in form of application in the prescribed format duly signed and sponsored by appropriate authorities (along with demand draft) should reach the local coordinator at ANITS by speed-post. It is also mandatory to send scanned application form and demand draft through e-mail to hod_cse@anits.edu.in. Selection will be intimated only through mail.

Selection Criteria:

Selection will be done based on first-cum-first-serve basis and the confirmed candidates will be notified by email. The maximum number of participants will be 50 (fifty). Additionally 10 participants from industry are allowed to participate. The list of selected participants will be notified through e-mail. In case a candidate is not selected, the demand draft will be sent back. Candidates will be issued certificates on successful completion of the course along with grade. Reservations are followed for selecting candidates as per GOI norms.

Important dates:

Last date to receive Application & DD: 8th June, 2018
Selection-list intimation/display before: 10th June, 2018
Duration of Program: 11th June to 16th June, 2018.

About the Institutes:

National Institute of Technology (formerly Regional Engineering College), Warangal is an Institute of National Importance and fully funded by MHRD, Govt. of India. It offers various programmes B.Tech. in eight branches, PG and MTech programmes, also Ph.D. programmes.

ANIL NEERUKONDA EDUCATIONAL SOCIETY (ANES) has been founded by Dr. N. B. R. Prasad, an NRI Philanthropist from USA in memory of Late Anil Neerukonda son of the Chairman Dr. N. B. R. Prasad. Dr. Prasad working with missionary zeal, unrelenting commitment and strong financial backing, along with his friends, planned and completed the construction of a \$6 million Venkateswara Temple in greater Chicago area, and this temple of higher learning.

DEPARTMENT OF CSE

Report on Internet of Things FDP

Dt: 19-06-2018

FACULTY DEVELOPMENT PROGRAMS ORGANIZED Mr. K.Suresh , Asst. Professor has organized a one week Faculty Development Program on "Internet of Things(IoT)" , conducted by Department of CSE, ANITS in association with NIT, Warangal (under the scheme of Electronics & ICT Academy) during 11th to 16th June, 2018. Dr. Raju Bhukya, Assistant Professor, Dept. of CSE, National Institute of Technology, Warangal, Mr.V.S.Ramesh Director , K.Srinivasan , Junior engineer , Steps Knowledge Services(p)Ltd, has delivered the topics includes " Embedded systems Introduction, Peripherals used in ES, CC3200 platform architecture, features and peripherals,CC3200 wi-fi accessing HTML page and HTTP web server, Functionality of serial and wireless interfaces, Creation of webpage and server to control the hardware". A total of 40 participants from industry and academia have participated and enriched their knowledge.

DEPARTMENT OF CIVIL ENGINEERING

-198
22/12

Date: 22-12-2018

Note submitted to Principal

Sub: Request for arrangements Workshop on "Geotechnical solutions for Infrastructure Development" on 29-12-2018 at Civil Engineering Department Seminar Hall -Reg.

It is to bring to your kind notice that Department of Civil Engineering is organizing the Work shop on "Geotechnical solutions for Infrastructure Development" and Inauguration of Indian Geotechnical Society(IGS) – ANITS(A) Students Chapter on 29-12-2018 at Civil Engineering Department - Reg.

In this connection I request you to kindly arrange the following for which I shall be grateful to you.

1. Lamp Stand
2. Name Plates-5 Nos
3. Flower Vase

Thanking you sir,

Yours Faithfully

RESOURCE PERSONS

The workshop is planned with the following resource persons

1. Prof. G.L.Sivakumar Babu, President, IGS, Professor, I.I.Sc., Bangalore, Key note Address
2. Dr. A.Santharam, Adjunct Professor, ANITS and Senior Geologist (Retd), Indian Bureau of Mines.
3. Prof. C.N.V. Satyanarayana Reddy, Department of Civil Engineering, Andhra University, Visakhapatnam
4. Prof. B.N.D. Narasinga Rao, Head of Department of Civil Engineering, ANITS, Visakhapatnam
5. Sri A.Madan Kumar, Head- Engineering Division, Keller India, Chennai.
6. Sri Srinivasa Raju, CEO, Geomardy, Visakhapatnam

WHO CAN ATTEND THE WORKSHOP

The workshop can be attended by Faculty and students of Engineering Colleges, and Engineers from Government and Private Organizations and Industries

REGISTRATION

Registration Fee Details:

- Practicing Engineers: Rs. 750/-
Faculty: Rs. 400/-
Research Scholars / Students: Rs. 200/-

Interested candidates are requested to fill the enclosed Registration form and send by email on or before 26-12-2018. The Registration fee can be paid on the day of workshop at the venue.

FOR DETAILS CONTACT:

Ch.Vineel (Mob.: 95811 06434)

ANITS (AUTONOMOUS)

Anil Neerukonda Institute of Technology and Sciences (ANITS) was founded by Anil Neerukonda Educational Society (ANES) in the fond memory of Late Anil Neerukonda, son of Dr. B.R. Prasad Neerukonda. Its humble journey started in 2001 and within 17 years, the Institute registered phenomenal growth and is accredited by NAAC with A Grade and by NBA for the second time. It is permanently affiliated to Andhra University and accorded with Autonomous status by UGC in 2015.

Today, the Institute offers seven B.Tech. Programs and five M.Tech. Programs with an annual intake of about 1100 students. Apart from the State-of-the-Art laboratories, well established teaching methodology and implementation of Best Practices, the wonderful coordination of Management, Faculty and Parents has played a crucial role in shaping the future of the ANITIANS and has been the talisman of the Institute's phenomenal growth.

DEPARTMENT OF CIVIL ENGINEERING

The Department of Civil Engineering, established in 2011, offers B.Tech. program in Civil Engineering and M.Tech. program in Soil Mechanics. The Department was awarded UGC Minor Research Project of Rs. 3.1 lakhs grant in the year 2017. The Department offers Consultancy Services in Geotechnical Investigations and Material testing. The recent consultancy work successfully completed was Geotechnical Investigations for the 15MW GVMC-Jindal Waste to Energy Plant at Kapuluppada. The HoD is Author of Text Book on Soil Mechanics and Foundation Engineering, Wiley International Publishers (2015).

The Department hosts Institution of Engineers (India) ANITS Civil Engineering Students chapter as well as ASCE Students chapter, which organize guest lectures, student seminars, industrial visits, workshops, symposia etc. The students of the Civil Engineering have proved their mettle by winning First and Second Prizes in Technical Paper Presentations, Model Presentation contests at reputed Institutions. Students of the department were selected by Infosys, MuSigma, Capgemini India, IBM, CADeploy, Nagarjuna Constructions etc. through campus placements.

IGS VISAKHAPATNAM CHAPTER

The Indian Geotechnical Society, Visakhapatnam Chapter in service of practicing engineers for more than three and a half decades. It has organized several seminars, conferences and workshops for the benefit of Civil Engineers in general and Geotechnical Engineers in particular. It has successfully organized prestigious Indian Geotechnical Conference in the year 1989. The prestigious Indian Geotechnical Conference-2020 would be organized by the Chapter in 2020 at Visakhapatnam.

ABOUT THE WORKSHOP

In recent years with sharp increase in rapid development of infrastructure e.g. high rise structures with more number of basements, bridges for metro projects, fly over for roadways, BRTS in metro cities etc., made us aware of optimum usage of land and compelled the engineers to apply advanced geotechnical solutions in context of ground improvement, deep excavations and earth retaining structures etc. Optimized design solutions is only possible with in-depth knowledge of various advanced geotechnical techniques and use of proper judgment.

This workshop is organized to focus upon geotechnical solutions for infrastructure development and aims to provide an exposure to the participants on Geotechnical-Infrastructure related case studies. The event provides a platform for knowledge exchange between the Academicians and Industry Professionals.

The lectures scheduled at the Workshop include (1) Soil Nailing Technique for Infrastructure Development as Key note address by Prof. G.L. Sivakumar Babu, President, Indian Geotechnical Society, and Professor, I.I.Sc., Bangalore, (2) Analysis & Design of Excavation Supporting Systems using Diaphragm Wall: Case Studies by Madan Kumar, Keller India, (3) Risk Management in Geotechnical Engineering Projects: A few Case studies by Dr. A.Santharam, Professor, ANITS (4) Pavement Construction in Expansive soils by Prof. C.N.V.Satyanarayana Reddy, Andhra University and (5) Fly ash characterization and utilization by Prof. B.N.D.Narasinga Rao, ANITS (6) Off-shore and Sub-sea Geotechnical Investigations and Solutions by Sri Srinivasa Raju, CEO, Geomardy, Visakhapatnam

DATE & VENUE

The Workshop will be organized on 29th December, 2018 at Department of Civil Engineering, Anil Neerukonda Institute of Technology & Sciences, Visakhapatnam from 9.00 a.m. to 3.00 p.m.

DEPARTMENT OF CIVIL ENGINEERING

Summary

Workshop on "Geotechnical Solutions for Infrastructure Development"

at
ANITS

Date:29-12-2018

A One Day Workshop on the topic has been organised by the Department of Civil Engineering, ANITS(A) "Geotechnical Solutions for Infrastructure Development" on 29th December 2018 on the occasion of Inaugural of Indian Geotechnical Society – ANITS Students Chapter. Dr. G L Siva Kumar Babu, President-Indian Geotechnical Society and Professor of Civil Engineering, IISc Bengaluru was the Chief Guest for the workshop and he delivered a Keynote Address on Soil Nailing Technique for Infrastructure Development. Dr. T Subrahmanyam, Principal, ANITS(A) enlightened the students about geotechnical solutions and applications in infrastructure development.

Dr. B N D Narasinga Rao, Professor & Head of Department, Civil Engineering, ANITS(A) was the convener for the workshop. Distinguished speakers, Dr. C N V Satyanarayana Reddy, Professor, Civil Engineering, Andhra University, Sri. Madan Kumar Annam, Head of Engineering, Keller India, Chennai, Dr. A Santharam, Adjunct Professor, ANITS and Senior Mining Geologist (Retd) Indian Bureau of Mines, Sri Srinivasa Raju, CEO, GeoMardy, Visakhapatnam and Dr. B N D Narasinga Rao, Professor & Head of Department, Civil Engineering, ANITS (A) have presented keynote lectures on various case studies in relation to the field of Geotechnical Engineering. Faculty and M.Tech (Soil Mechanics) and B.Tech students of ANITS, Faculty and students from GVP College of Engg., GVP School of Engg., MVGR and other private engineering colleges have actively participated in the One Day Workshop.

Dept. of Civil Engineering,
ANITS

To:
The Principal,
ANITS

Respected Sir,

Sub: Workshop on "Foundations and Practice of GIS" on 19-11-2018, 20-11-2018 & 22-11-2018 at Civil Engineering Department – Reg.

It is proposed to organize a Workshop on "Foundations and Practice of GIS" by the Department of Civil Engineering on 19-11-2018, 20-11-2018 & 22-11-2018 in association with IIC Academy – Visakhapatnam .

The following will be the resource persons for the workshop,

1. Sri. Kasi Viswanatham Ponnappalli, Subject Matter Expert, IIC Academy
2. Srikanth Ankam, Subject Matter Expert, IIC Academy

The Fee for the workshop is Rs.650/- per student and a total of about 65 members are expected to participate in the workshop by paying the fee.

The following additional expenditure is involved for the workshop

1. Lunch of the two resource persons for 3 days (November 19,20 & 22)
2. Printing of certificates costing approximately Rs.800/-
3. Banner (6X4) approximately Rs. 400/-
4. Miscellaneous Rs. 200/-

Approval is requested for the above expenditure of Rs. 1400/- which can be met from Item No. 5 (Student Training/Workshop) of Development Budget.

Thanking You Sir,

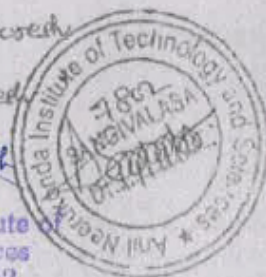

Yours Faithfully

Preamble

With reference to the recent discussions between the Management of Anil Neerukonda Institute of Technology and Sciences, Vizag and IIC Academy, a proposal for conducting Three-day Workshop on Foundations and Practice of GIS at the Institute's campus, is submitted for your favorable consideration and acceptance.

The workshop is suited for the students of the pre-final and final years of all engineering disciplines. The program will be more suited to the students of civil, mechanical and computer science engineering.

The broad objectives of workshop is to introduce the concept of GIS and their applications in areas such as smart cities, urban planning, water management, infrastructure management and other topical areas connected with GIS. The emphasis and government policies with regard to Digital India, eGovernance, infrastructure and environment manage accentuate the need for capacity building in areas related to geospatial sciences and GIS.

The workshop will conducted with the blended approach comprising instructor-led sessions, practice demonstration, case studies, and hands on activities.

A broad content of course is placed in subsequent section.

Course Content

A Three-Day Workshop on "Foundations and Practice of GIS"			
Date	Session		Instructors
	FN (09.00 – 12.00)	AN (13.00 – 16.00)	
N/A	Explain concepts of Geospatial Technology	Perform Geo Referencing of scanned and satellite images	N/A
Day -TWO			
N/A	Create Inputs for Data Analysis	Work with Geo-processing Tools	N/A
Day -Three			
N/A	Perform Spatial Analysis, Network Analysis, Overlay Analysis	Case Study	N/A

DEPARTMENT OF CIVIL ENGINEERING

Summary

Workshop on "Foundations and Practice of GIS"

at
ANITS

Date: 22-11-2018

A ThreeDay Workshop on the topic has been organised by the Department of Civil Engineering, ANITS(A) "Foundations and Practices of GIS" on 19-11-2018, 20-11-2018 & 22-11-2018 in association with IIC Academy, Sri. Kasi Viswanatham Ponnappalli, Subject matter Expert, IIC Academy and Sri. Srikanth Ankam, Subject matter Expert, IIC Academy are the Resources Persons for the event. During the workshop hands-on experience has been imparted to the participants in utilizing the ArcGIS Software for conducting necessary surveys. Dr. B N D Narasinga Rao, Professor & Head of Department, Civil Engineering, ANITS(A) was the convenor for the workshop. B.Tech Civil students of ANITS and Faculty of ANITS participated in the Three Day Workshop.

A One day Workshop on " Innovation & Technological Entrepreneurship"

Dept of Mechanical Engineering has organized A One day Workshop on " Innovation & Technological Entrepreneurship" on 25th February 2019, collaboration with stuMagz. Around 100 students registered for this workshop and attended all sessions. The resource persons of this workshop is Mr. Charan Lakka Raju, CEO StuMagz, Entrepreneur would cover a range of topics to enhance the Entrepreneur skills of the students. Prof. T Subramanian, Principal ANITS inaugurated the workshop. Dr. B. NagaRaju HOD Mechanical Engineering congratulated the participants.

19-10-2019

To
The Principal,
ANITS.
Sir,

Sub:- AICTE - ISTE sponsored Induction programme conducted from 11th - 16th June 2018 - Reg.

Ref: 1. AICTE sanction letter ISTE/AICTE-ISTE FDP-1-3325237320/2018 dated
12th March 2018.

2. Letter dated 16th October 2018 from our department.

3. E-Mail vide ISTE/AICTE-ISTE-Induction programme / 2019 dated
18th October 2019.

This is with reference to the email stated above, wherein AICTE has released an amount of
of Rs. 1,50,000/- as the second/ final instalment through NEFT vide UTR Number
IDIBH19287108834 dated 14-10-2019 as per the account details provided by us.

In this context, we would like to draw your kind attention to the one week induction
programme organized by the department of Mechanical Engineering and sponsored by AICTE-
ISTE vide their letter referred above in the month of June- 2018. The amount sanctioned by the
AICTE towards this programme is Rs. 3,00,000/- (Rupees Three lakhs only). The total expenditure
incurred for the programme is Rs. 3,02,747/-. AICTE earlier released Rs. 1,50,000/- as first
instalment in the month of 16th October 2018. The balance amount of Rs. 1,50,000/- is now
released by AICTE. This completes the settlement of account from AICTE.

We whole heartedly thank your kind selves and the management for the unstinted support
offered in making the programme a success. We sincerely hope that the management will
encourage the faculty in organising such programme in future.

19/10/19

Registration is free for all participants. Send the scanned copy of the duly filled registration form to: hodmech@anits.edu.in by 25th May, 2018. The confirmation of the registration will be sent by 2nd June, 2018.

Travel and Accommodation:

Outstation participants are eligible for TA by shortest route as per AICTE norms. Free accommodation will be provided for outstation participants on prior request.

Transport:

Participants can avail college bus facility during college timings. ANITS can also be reached by RTC buses starting from RTC Complex by Bus No.s 222, 211. Alternatively large number of autos will ply at frequent intervals from RTC complex to ANITS.

About ANITS:

Anil Neerukonda Institute of Technology & Sciences (ANITS) was established by the Anil Neerukonda Educational Society (ANES), which was founded by Dr. N.B.R. Prasad, an NRI philanthropist from USA. This institute was started in the year 2001 and is affiliated to Andhra University. The institution offers seven undergraduate programs and five Masters programs. It is just 30 minute drive from Visakhapatnam to reach the campus, which spreads over 14 acres of land. ANITS has emerged as one of the best colleges among the 198 colleges started in A.P along with it and later.

About the Department:

The department of Mechanical Engineering is established in the year 2005 with the state of art laboratories and research facilities which are being upgraded continuously every year. The department was accredited by NBA in the year 2012 and reaccredited in the year 2016. Presently it has an intake of 240 at UG level and 18 at PG level. The department has faculty strength of 56 with ten Doctorates. The department promotes research activity vigorously which has fructified in the publication of more than 240 papers since inception in National/International Journals/Conferences. The department received research grants from Centrally sponsored organizations like AICTE, UGC, DST totaling to an amount of Rs. 33,00,000/-.

PRESS NOTE

The One Week (11th to 16th June,2018) Induction Programme titled "**ADVANCES IN HYBRID POLYMER COMPOSITE ENGINEERING AND APPLICATIONS**" organized by the Department of Mechanical Engineering, ANITS under the sponsorship of AICTE-ISTE has concluded successfully today. The chief guest for the valedictory function was Dr. Ch. Ramadas, Scientist 'F', DRDO, Pune and P Vamsi Krishna, Associate Professor, NIT Warangal presided as the guest of honour. Dr N.B.R Prasad, chairman ANES; Dr T. V. Hanumantha Rao, Principal and Dr B.Nagaraju HOD & coordinator for the programme, presided over the function.

The participants from different colleges were satisfied with the 22 technical sessions spread over six days and the arrangements for the programme. The participants were presented with the certificates by the chief guest and the guest of honour. The coordinator of the programme thanked all the participants, Principal and the management for their unstinted support. He said that the participants can choose their topic for doctoral research from composites and seek the help of resource persons.
