FACULTY DEVELOPMENT PROGRAMME (FDP)
ON

Machine Learning – Recent Trends and Applications
(12th June, 2017 to 17th June, 2017)

To be organized at

Anil Neerukonda Institute of Technology and Sciences, Sangivalasa, Visakhapatnam
By Electronics & ICT Academy, National Institute of Technology, Warangal
(An initiative of Ministry of Electronics and Information Technology (MeitY), GOI)

Preamble:

"Electronics & ICT Academy" is being set up at NIT Warangal with financial assistance from MeitY, Govt. of India (GOI). The jurisdiction of this academy is Telangana, Andhra Pradesh, Karnataka, Goa states and Puducherry, and Andaman & Nicobar Islands UTs. This academy role is to offer faculty development programmes in standardized courses and emerging areas of Electronics, Information Communication Technologies; training & consultancy services for Industry; Curriculum development for Industry; CEP for working professionals; Advice and support for technical incubation and entrepreneurial activities.

Anil Neerukonda Institute of Technology and Sciences College agreed to host this Faculty Development Programme (FDP) on Machine Learning – Recent Trends and Applications in its campus by bringing and caring the participants to this programme and also giving away its infrastructure to organize FDP with active involvement of its faculty of CSI department.

Broad Topics to be covered in FDP:

- Regression Techniques
- Decision tree algorithms & clustering
- Neural Network learning
- Support Vector machines
- Bayesian learning
- Deep learning
- Principal Component Analysis (PCA)
- Applying machine learning algorithms on large data sets

Resource Persons:

E&ICT Academy takes the responsibility of organizing lectures by academicians from reputed institutes in India.

Eligibility:

The programme is open to the teachers of Engineering Colleges, MCA /MBA colleges and other allied disciplines in Andhra Pradesh, Karnataka, Telangana, Goa states and Puducherry, Andaman and Nicobar Islands and UTs. Industry personnel working in the concerned/allied discipline can also attend.

CIRCULAR

To have better job prospects and for having an edge over others, it is essential for civil engineering students to get trained in some of the software used in the industry such as ETABS

It is therefore proposed to organise a training programme on ETABS with I.Prakash, trainer from datapro, based on the feedback from the students on his demo session.

Following will be the schedule of the programme

Date: 13th & 14th December, 2017

Time: 08:40 AM to 03:30 PM

Venue: Department Compute Centre - H - Block

Maximum participants - 35 (first cum first serve basis)

Interested students are therefore informed to pay the registration fee of Rs. 450/- on or before 08-12-2017 to J.Vikranth, Associate Professor.

Workshop on "Geotechnical Problems and Practices" AT ANITS

Date: 11-10-2017

A One day Workshop has been organised by the Department of Civil Engineering, ANITS(A) on the topic "Geotechnical Problems and Practices" on 11th October 2017 to commemorate the 134th Birth Anniversary of Karl Von Terzaghi - Father of Soil Mechanics. Sri. A K Mehera, Chief Engineer, Visakhapatnam Port Trust was the Chief Guest for the workshop and he delivered a Keynote Address on Geotechnical Challenges In Marine Environment. Dr. N B R Prasad, Chairman, ANITS(A), presiding over the Inaugural Program he called upon the students to become entrepreneurs without depending on government for jobs. Dr. T V Hanumantha Rao, Principal, ANITS(A) recalled some of the great contributions and quotations of Karl Von Terzaghi - Father of Soil Mechanics.

Dr. B N D Narasinga Rao, Professor & Head of Department, Civil Engineering, ANITS(A) was the convener for the workshop. Distinguished speakers, Dr. V Venkateswara Rao, Professor (Retd.), Andhra University, Sri. Rishi Jaiswal, Scientist - D, DRDO, Dr. C N V Satyanarayana Reddy, Professor, Civil Engineering, Andhra University and Dr. B N D Narasinga Rao, Professor & Head of Department, Civil Engineering, ANITS (A) have presented lectures on various case studies in the field of Geotechnical Engineering. Faculty and students from Andhra University, ANITS(Autonomous) and other private engineering colleges have actively participated in the Workshop.

ABOUT THE COLLEGE

Anil Neerukonda Institute of Technology and Sciences (ANITS), Visakhapatnam was established in 2001 by Anil Neerukonda Educational Society (ANES). ANES works to promote technical, and human values through various educational institutions, without any motive for profit. ANITS is located in Sangivalasa village of Bheemunipatnam mandal, about 30 km from the beautiful city of Visakhapatnam. The college is accredited by NAAC, NBA, UGC and attained autonomous status in the academic year 2015-16. The college was awarded "Center of Excellence" by Infosys Technologies in the year 2011 and "National Employability" in 2014 by Aspiring Minds, New Delhi. The college offers undergraduate and post graduate programs in various disciplines of engineering such as CSE, IT, EEE, ECE, Mechanical, Civil and Chemical Engineering. ANITS has strived to train young men and women into confident and competent engineers. With a unique team of governing body, inspiring management, and proficient educators, ANITS continues to march forward with greater zeal and dedication to become a world class educational institute.

ABOUT THE DEPARTMENT

The Department of Chemical Engineering was started in the year 2012 and has very efficient team of faculty. The faculty participate actively in state of the art research and continuously thrive to update knowledge and skills. The same is imparted to the students in class rooms by conducting workshops, seminars and conferences to craft the next generation of

The department is well equipped with chemical and interdisciplinary laboratories. Modern teaching methodologies are constantly implemented to foster an improved class room environment. Team work among students is encouraged to inculcate positive work habits and passion to work wisely, creatively and effectively.

ABOUT THE WORKSHOP

Indian chemical industries emerge as one of the focus destinations for chemical companies worldwide, which accounts to \$ 36 billion (3% of the global economy). In addition to producing bulk and fine chemicals through traditional routes, the industries are now focussing on novel technologies such as nano-technology, fermentation and biofuels. The technology of production of chemicals requires intense understanding of process flow sheets which comprise of various types of reactors, pumps, heat exchangers, condensers, distillation and absorption columns etc. The detailed study of process flow sheets coupled with process control helps the chemical engineer to produce the products at maximum productivity. It also allows varying the process conditions in case of any fire and explosion in the industry. This workshop helps in bridging the gap between academic and industrial approach to study the flow sheets. The workshop covers topics like overview of process engineering in industrial perspective, various pumps, process flow diagrams, piping and instrumentation diagrams, trouble shooting etc. The workshop also aids in facing the challenges arised when the fresh engineers start working in the industry

Department of Chemical Engineering
National Workshop on
Application of Theory to Process Industry For Engineers

Press Note

The Department of Chemical Engineering, ANITS, Visakhapatnam, in association with Process Engineering Group from Hyderabad is organized a two day National workshop on, "Application of theory to Process Industry for Engineers", during the dates 8th and 9th, Dec., 2017. The inaugural program was graced by Chief guest Dr G.Madhu Kumar, Honorary Secretary and correspondent of Dr Lankapalli Bullayya Colleges, Visakhapatnam. The other dignitaries who graced the occasion include, Mr G.Vijay Kumar, Head, Process Engineer's Group, Hyderabad, Sri Neerukonda Naveen, Treasurer, ANES, along with principal of ANITS, Prof. T.Hanumantha Rao, Head of the department of Chemical engineering Prof. S.Subba Rao and the Convener of the program, Mr.M. Koteswara Rao.

Dr G.Madhu Kumar, the Chief Guest of the function insisted upon flexibility to meet the diversified needs of both industry and community for which Chemical engineers need to be flexible for Horizontal diversification and vertical expansion. He appreciated the organizers for incorporating Hazard analysis and management which is the need of day

Mr G.Vijay Kumar, the Guest of Honor from Process Engineering group, narrated his experiences during the initial stages of job. A firm grip on ten equipment of chemical engineering is sufficient to understand and also develop flow sheets that can meet industry needs.

The program concluded with signing of MoU between the Dept. of Chemical Engineering, ANITS and Process Engineering Group, Hyderabad.

PRESS NOTE

The Department of EEE has conducted a one day workshop on Art of Living by Sri SHANKAR NARAYANA, Regional Teacher, AOL on 18-11-2017. The faculty of EEE has attended this workshop. In his speech he briefly described about the ethical values and from his hearings a person can be able to make judgments by applying their skills, and reaching informed decisions in situations that the general public cannot because they have not attained the necessary knowledge and skills. Prof.G.Raja Rao HOD of EEE at the end of his session felicitated him for his valuable speech and experience which is helpful for the faculty to improve their teaching skills.

FACULTY DEVELOPMENT PROGRAMME (FDP)

ON

5G Wireless Communications

(05th - 10th, January 2018)

Organized by

Anil Neerukonda Institute of Technology & Sciences,
Visakhapatnam

in association with NIT, Warangal

Under the scheme of Electronics & ICT Academy

(Sponsored by Department of Electronics and Information Technology (DeitY), GOI)

Preamble:

"Electronics & ICT Academy" is being set up at NIT Warangal with financial assistance from DeitY, MCIT, Govt. of India (GoI). The jurisdiction of this academy is Telangana, Andhra Pradesh, Karnataka, Goa states and Puducherry, and Andaman & Nicobar Islands UTs. This academy role is to offer faculty development programmes in standardized courses and emerging areas of Electronics, Information Communication Technologies; training & consultancy services for Industry; Curriculum development for Industry; CEP for working professionals; Advice and support for technical incubation and entrepreneurial activities.

This faculty development programme (FDP) is devoted to enhance the knowledge on theoretical and practical aspects analog IC design.

Major Course Contents:

- 1G - 5G
- Smart Antennas
- Internet of Things
- Green Communication
- Massive MIMO Arrays
- Optimization Techniques
- Energy Harvesting in 5G
- Wireless Sensor Networks
- 5G Design antenna Challenges
- Interference Management in 5G
- Security and Co-existence of Networks.

Faculty conducting this programme:

The programme will be conducted by the faculty members from NIT Warangal, Academicians and Industrialists in the concerned field from Reputed Institutes are invited to deliver lectures in the programme.

Eligibility: The programme is open to the teachers of engineering colleges and research scholars in Andhra Pradesh, Telangana, Karnataka states and Puducherry, Andaman and Nicobar islands and Goa UTs. Industry personnel working in the concerned/allied discipline can also attend.

Registration Fee Particulars:

- Faculty members from mentioned states: Rs 2500/- Only
- Faculty members from other states: Rs 8500/- Only
- Industry participants : Rs 7500/- Only
- Faculty members of SC/ST from mentioned states : Rs 1250/- only

The participants need to send a crossed demand draft (DD) drawn in favour of "Director, NIT Warangal" and payable at SBH, NIT Warangal branch

Transport:

Participants can avail college bus facility during college timings. ANITS can be reached by RTC buses starting from RTC Complex by Bits No.222, 211. Alternatively large number of autos will fly at frequent intervals from RTC complex to ANITS.

ABOUT ANITS:

Anil Neerukonda Institute of Technology & Sciences (ANITS) was established by the Anil Neerukonda Educational Society (ANES), which was founded by Dr. N.B.R. Prasad, an NRI philanthropist from USA. This institute was started in the year 2001 and is affiliated to Andhra University. It has seven undergraduate programs and five Masters programs which has been accredited by NBA.

Strategically located between Visakhapatnam & Vizianagaram at Sangivalasa, Bheemunipatnam. ANITS has been catering to the needs of these twin cities for the past 10 years. It is just 30 minute drive from Visakhapatnam to reach the campus, which spreads over 14 acres of land. It has emerged as one of the best colleges among the 198 colleges started in A.P along with it and later.

About the Department:

Department of Mechanical Engineering was established in 2005, presently handling both M.Tech and B.Tech courses to meet the growing demands. The department has well qualified and experienced faculty and has established Workshops, Machine shop, Metrology & Mechatronics, Fluid Mechanics, Stress Analysis, S.M Thermal Engineering, Heat Transfer and Industrial Engineering labs. The department also has a sophisticated CAD/CAM lab with licensed softwares like AUTO CAD, ANSYS, SOLID WORKS etc.

TWO-DAY NATIONAL SEMINAR
MICRO MANUFACTURING TECHNIQUES
on 24th & 25th November 2017
Sponsored By
AICTE, New Delhi
Organized by
Department of Mechanical Engineering
Anil Neerukonda Institute of Technology & Sciences
Approved by AICTE, Permanently Affiliated to Andhra University
UGC Autonomous, Accredited by NBA & NAAC with "A" Grade
Engineering, Bheemunipatnam
Visakhapatnam- 521162, A.P. India

Scope of the SEMINAR

In the present era, manufacturing industry has become the backbone of the economy of a nation. Development of new manufacturing processes and materials helped in solving some of the problems in manufacturing processes. Automation has changed the structure of manufacturing industry and improved productivity. There is a strong motivation for optimizing the design and manufacturing process using experiments with high precision equipments and computational techniques for modeling the processes. The present seminar focuses on the advances in the field of manufacturing and material development. The conference aims at inviting renowned experts for delivering keynote addresses/special lectures in the field of Manufacturing Sciences.

Resource Persons:

Experts from IIT's, NIT's, Universities, Scientists from research organizations and senior faculty members from host institute.

Topics to be Covered:

- Micro Manufacturing techniques (Machining, Forming & Joining).
- Micro-Electro-Mechanical Systems (MEMS)
- Nano technology & characterisation techniques.

Eligibility:

Faculty members from AICTE approved Institutes, practicing engineers/scientists, students (UG, PG and Research Scholars) are eligible to attend the course.

Boarding and Accommodation:

No TA/DA will be paid to the participants. Lunch, Tea, Snacks and workshop kit are included in registration fee. Limited Accommodation is available at ANITS hostels on first come first serve basis.

Registration fee:

- Rs.1000/-for participants from industry
- Rs.500/-for teaching faculty from Engineering Colleges
- Rs.200/-for Research scholars/students from Engineering Colleges/Universities.

D.D. (payable at Visakhapatnam) to be drawn in favor of Principal, Anil Neerukonda Institute of Technology & Sciences along with registration form.

NOTE: All applicants should give their E-mail ID's and correspondence will be done through E-mail only. This brochure can be downloaded from our College Website: www.anits.edu.in

PRESS NOTE

The Department of Mechanical Engineering, ANITS has organized a two day National Seminar on "Micro Manufacturing Techniques" on 24th and 25th November 2017. Various topics on latest micro manufacturing Processes like Micro machining, Nanotechnology & Characterisation Techniques, MEMS, Micro forming techniques were presented and discussed during the seminar. Eminent speakers like Dr. A. Ratna Kumar (IIT Madras), Dr.V.Vasu (NIT Warangal), Dr. C. Manoj Kumar (NIT Raipur), Dr. A. Srinivasula Reddy SVU, Tirupathi, Dr.M.V.Jaganatha Raju (AU, Visakhapatnam) delivered lectures in the seminar. About 56 faculty members and students from various colleges have participated in the seminar. Prof.Ch. Ratnam, Head of Department, Mechanical Department, Andhra University was the Chief guest of the seminar.
