**ANITS- WOMEN EQUALITY DAY: 26 AUGUST 2022.**

## **Report on NSS EVENT**

DATE: 26 August 2022

PLACE: ANITS COLLEGE PREMISES and ADOPTED VILLAGES

Principal and our organization decided to conduct AWARENESS PROGRAMME ON

**WOMEN EQUALITY**

**(Gender Equality)**

### **The objective**

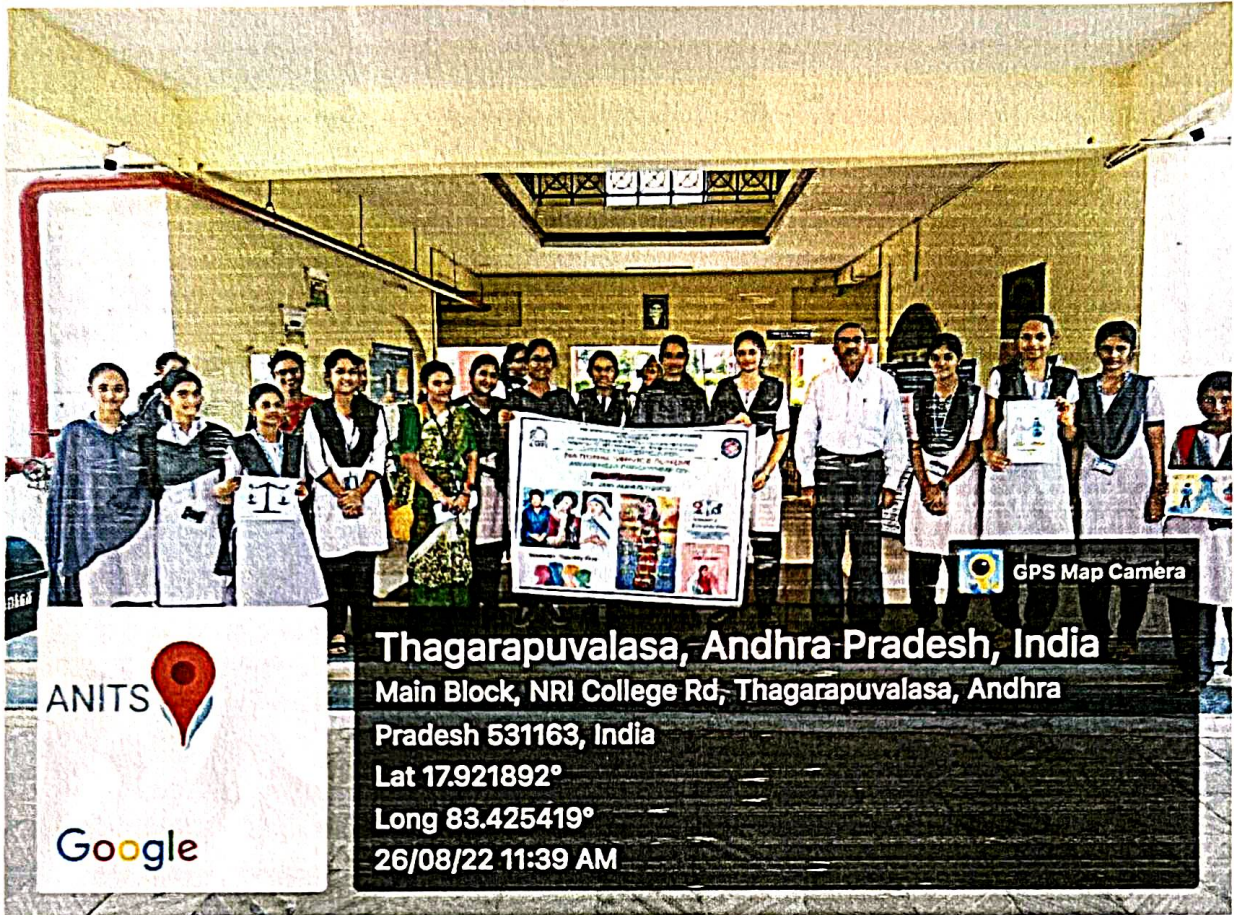

The NSS unit of ANITS organized an Outreach activity (awareness programme) event On The occasion of birth day of Mother Teresa, as a part of "WOMEN EQUALITY" To create Awareness among the people because the United States gave women the right to vote on the same day. i.e "Women's Rights Day" based on the 19th Amendment, ratified in 1920, ensures voting rights for everyone regardless of gender. In recent years, we have made other giant strides by attacking sex discrimination through our laws and by paving new avenues to equal economic opportunity for women. Today, in virtually every sector of our society, women are making important contributions to the quality of life. And yet, much still remains to be done".

The motto of this awareness program is to some theme, like

**"WOMEN = QUALITY", "We cannot all succeed when half of us is held back." - - Malala Yousafzai, do not limit a woman, let them achieve their dreams and aspirations etc.**

**Defy the teachings of our society and educate those who still consider women inferior to men.**

### Summary Report

We the department of Information Technology have conducted an event that promotes gender equality, sensitization and also facilities provided for women in the campus. We have revised about existence of women grievance cell and made students familiar with Central coordinator Dr. RajyaLakshmi and our Department coordinator G. Vijaya Lakshmi. We created awareness about importance of dress code to girls in and outside of college and also told them how internet usage plays a vital role in everyone's day to day life. We discussed regarding gender equality. Promoting gender equality in college, is the first step towards ensuring all students are free to pursue an education without fear of discrimination because of their gender. The education of girls and women can lead to a wide range of benefits, including:

- Women's empowerment
- Ability to exercise rights
- Equal access to unlimited potential
- Work and economic security
- Safety and freedom from gender-based violence

We encouraged all the girl students to come forward and seek our help if they are facing any issue in the campus.

#### Report on "Awareness on How to Use Social Networking Apps and How Grievances Cell Operates"

In this session, the students are made understand why and how the grievances cell is started and work. The Grievance redressal Cell has been developed to settle the grievances of the students and other stakeholders within a reasonable time period for further strengthening the bond of the students with the institution by providing them with all kind of facilities to a satisfaction level for maintaining a convenient ambience of academic teaching and learning.

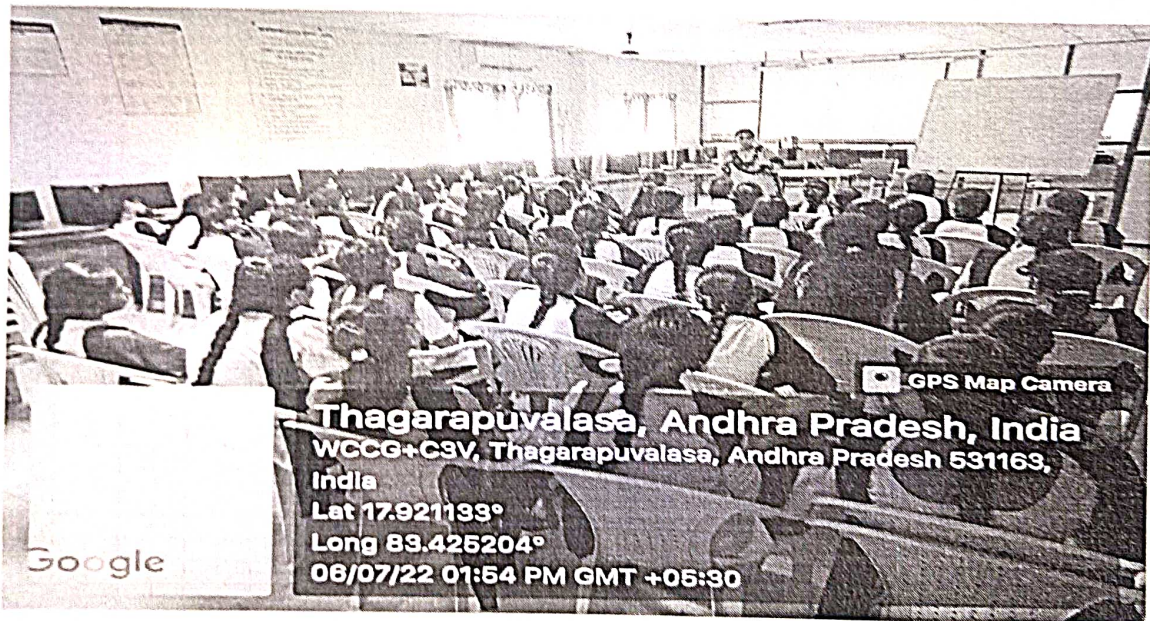

The students are given information on the function of the cell i.e., to look into the complaints lodged by any student, and judge its merit. Also, the Grievance cell is also empowered to look into matters of harassment. Anyone with a genuine grievance may approach the department members in person, or in consultation with the class in-charge.

The students are shared with the information on how the complaint can be raised and solved by the cell members:

1. Complaint can be given to department Cell members.
2. Create the committee
3. Acknowledge the grievance:
4. Investigate:
5. Hold the formal meeting:
6. Take your decision and act accordingly:
7. Appeal process:
8. Review the situation:
9. Uproot the main cause of grievance

They are also advised on their behavior with boys on how such behavior may look for outsider even though it is friendship between them. They are also informed that if faculty found such type of behavior and irrespective of repeated

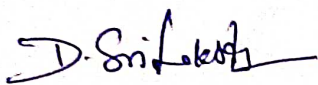

warning if they behave like that then the issue will be taken to their parents. They are also advised about the way of dressing.

Later students are made to understand the positives and negatives of usage of social media. Social media plays an important role in every student's life. It is often easier and more convenient to access information, provide information and communicate via social media. Tutors and students can be connected to each other and can make good use of these platforms for the benefit of their learning and

teaching. However, social media use can also negatively affect teens, distracting them, disrupting their sleep, and exposing them to bullying, rumor spreading, unrealistic views of other people's lives and peer pressure. The risks might be related to how much social media teens use.

#### **Report On Women's Day celebrations**

**Name of the theme:** "Break The Bias"

**Name of the event :** Dance competition

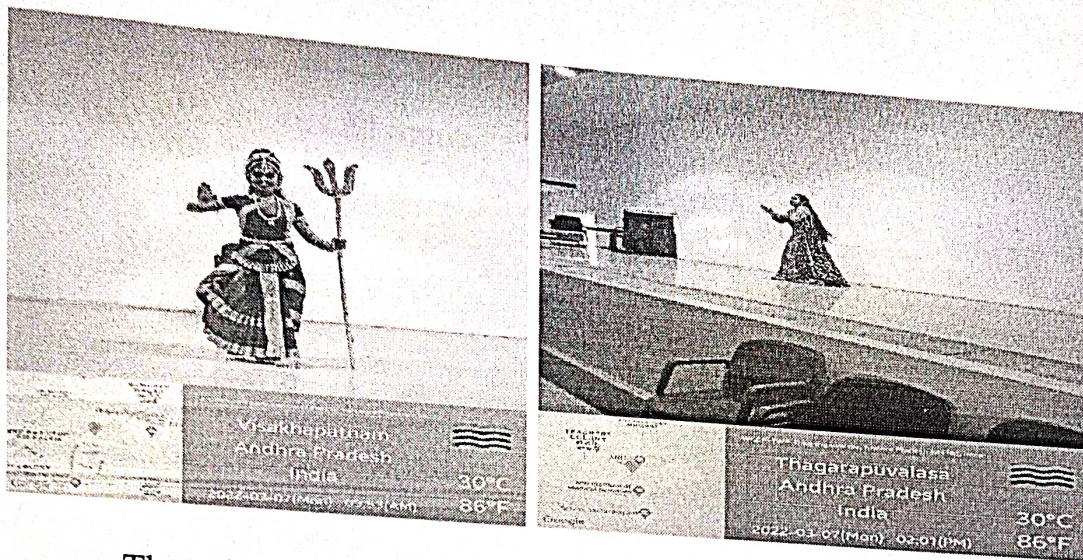

**Objective:**

To create a climate in which people feel inspired, equipped and supported and which is free of bias, stereotypes and discrimination – an environment that is diverse, equitable and inclusive.

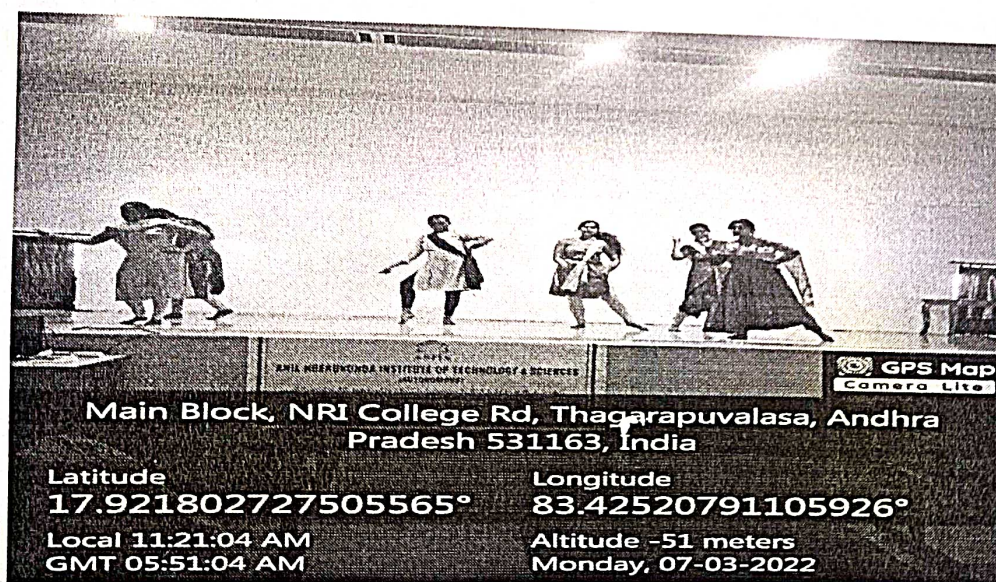

**Summary:**

On the Occasion of International women's Day 2022, ("Break THE BIAS") the institution has celebrated 3 days program in various events which contains Rangoli, Fun Games, Mehandi Art, Nail Art, Sports, Dance and Signing. In this view the entire events have been allocated to different Departments and Faculty Coordinators have been nominated for each event. In this regard, Dance competition event was organized by Head of the Department of EEE and IT under the coordinator Prof.P,Padmaja, HOD of IT. The dance competition was scheduled for both lady faculty and girl students. The competition was held on 7<sup>th</sup> March, 2022 at Central Auditorium. The judges of the occasion are Mrs.T Deepa, Asst. Professor, English and Humanities Mrs. S V S S Lakshmi, Asst Prof., CSE, and Mrs. M S L R Mallika, Asst. Prof., Mathematics. The students gave tough competition to each other. The winners are announced for girl students and lady staff from the scores obtained from three judges. Prof. P Padmaja, HOD of IT has said that instead of tight schedule and works, some of the lady staff has participated in the event so she announced all the lady staff are winners.

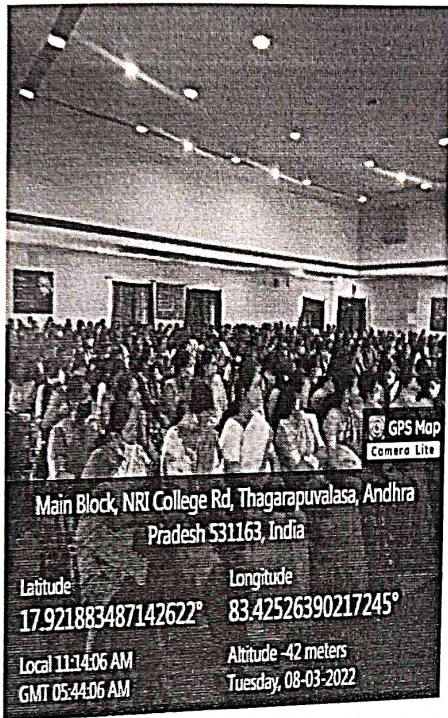

The prize distribution for the winners has been awarded on 8<sup>th</sup> March 2022 on the occasion of Women's Day by the Chief Guest Dr. Mangati Pramila Devi, Director of A.U. College of Engg. For Women. She addressed the how women are being encouraged in various organizations and running the world. She also addresses the women should not withstand any differences at work places Dr. V Rajya Lakshmi, Prof and HOD of ECE announced the members of women grievances cell(central) and also addresses the students to come forward to the members if they are facing any problems or want any changes for the improvement for the amenities for healthy environment.

The event was successfully organized by Prof. N. Padmaja, Hod, Dept of Chemistry. And also special thanks to our beloved Principal Prof. T.V.Hanumantha Rao,

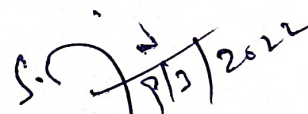

and various Department Heads, Faculty Coordinators, Student Coordinators, various Department Faculty and Students who made this program a grand success.

Later lunch was organized for the co ordiantor of the event along with the chief guest. The organized gave a gift pack consisting of greeting card and packet of chocolates.

## HEALTHY EATING PLATE

**HEALTHY OILS**  
Use healthy oils (like olive and canola oil) for cooking, on salad, and at the table. Limit butter. Avoid trans fat.

**VEGETABLES**  
The more veggies – and the greater the variety – the better. Potatoes and French fries don't count.

**FRUITS**  
Eat plenty of fruits of all colors.

**WHOLE GRAINS**  
Eat a variety of whole grains (like whole-wheat bread, whole-grain pasta, and brown rice). Limit refined grains (like white rice and white bread).

**HEALTHY PROTEIN**  
Choose fish, poultry, beans, and nuts; limit red meat and cheese; avoid bacon, cold cuts, and other processed meats.

**WATER**  
Drink water, tea, or coffee (with little or no sugar). Limit milk/dairy (1-2 servings/day) and juice (1 small glass/day). Avoid sugary drinks.

**STAY ACTIVE!**
