Divyangjan Policy

The Government of India formulated the national policy for persons with disabilities in February 2006 which deals with the educational rehabilitation of persons with disabilities, therefore because of this ANITS has implemented these policies in the teaching and learning process. The ANITS's policy recognizes that persons with disabilities are a valuable human resource for the institution and seeks to create an environment that provides equal opportunities, protection of their rights, and full participation in the academic environment.

The focus of the policy is on the following:

1. To ensure that the design of the building such as ramp/ lift should be according to the disabled persons.
2. To ensure the accessible, gender-sensitive, safe, usable, and functional washroom facilities should be provided for disabled persons.
3. The use of signage of male and female symbols, following local customs and standards, with raised outlines and bright color contrast, will be more evident to everyone and particularly helpful for persons with visual impairments.
4. Learners with disabilities need to be adequately and appropriately supported in and out of the classroom with the right resources and assistive technology, and with leadership, teaching staff, and college communities that are responsive to their needs.
5. Exam policy:

Based on the need of the students ANITS will make reasonable changes in the educational plan and assessment framework to meet the particular needs of students with disabilities. Sensible convenience will be made to meet the necessities of the considerable number of students with disabilities. The guidelines and regulations have been issued by the examination department for the use of scribes in exams.

From 2001 to till the date not only joined disabilities students in ANITS, in case anyone allotted seat in ANITS we promising to provide following facilities.

1. Provision for inquiry and information: Human assistance, reader, soft copies of reading material, screen reading.
2. To ensure the proper text and pictogram signage such as tactile path, lights, display boards, signposts are necessary, located to be visible and touchable.
3. To ensure the accessibility of software tools and techniques for people with disabilities. The institution has disabled friendly, barrier-free environment.

The Government of India has notified guidelines for evaluation of the disabilities and procedures to be adopted at Higher Educational Institutions. The institution as per the guidelines of the government and that of the affiliating university will ensure that the persons.
